Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

If this Form W-9 is for a joint account, list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note. ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C Corporation, or S Corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

Limited Liability Company (LLC). If the name on line 1 is an LLC treated as a partnership for U.S. federal tax purposes, check the "Limited Liability Company" box and enter "P" in the space provided. If the LLC has filed Form 8832 or 2553 to be taxed as a corporation, check the "Limited Liability Company" box and in the space provided enter "C" for C corporation or "S" for S corporation. If it is a single-member LLC that is a disregarded entity, do not check the "Limited Liability Company" box; instead check the first box in line 3 "Individual/sole proprietor or single-member LLC."

These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on this page), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code* earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.ftc.gov/idtheft or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.

to Unger including identifying the workers employed in an apprenticeable occupation during the reporting period; the skilled journeypersons employed in an apprenticeable occupation during the reporting period; and the graduates from an approved apprentice program employed in an apprenticeable occupation during the reporting period.

2.2.5 Subcontractor, prior to receiving final payment for the Work, will submit an affidavit under penalty of perjury stating that the Subcontractor has paid the specified general prevailing rate of per diem wages to his or her employees for the proper craft needed to fulfill the obligations of the Subcontract. (See Labor Code § 1775(b)(4).)

2.3 Prevailing Wage Laws. Subcontractor acknowledges and agrees that it has performed its own investigation as to the applicability of California prevailing wage laws including Labor Code sections 1720 et seq. and 1770 et seq., as well as California Code of Regulations, Title 8, Section 16000 et seq. ("Prevailing Wage Laws"). Subcontractor agrees that the labor rates established in Exhibit 2 include, and the Subcontract Price will include, full compensation for all labor in compliance with California Labor Code and that no additional compensation will be owed to Subcontractor in the event that Subcontractor is required to pay higher wages or incur additional costs that Subcontractor contends it did not anticipate.

2.3.1 Subcontractor is aware of the Prevailing Wage Laws, which require the payment of prevailing wage rates and the performance of other requirements on certain "public works" and "maintenance" projects. If the Project involves an applicable "public works" or "maintenance" project, as defined by the Prevailing Wage Laws, and because the total compensation is \$1,000 or more, Subcontractor agrees to fully comply with the Prevailing Wage Laws. Subcontractor will obtain a copy of the prevailing rates of per diem wages at the commencement of the Work from the Department of Industrial Relations located at <https://www.dir.ca.gov/oprl/DPreWageDetermination.htm>. 2.3.5 Subcontractor will adhere to the compliance measures outlined in Labor Code section 1775(b) for any tier-subcontractor that Subcontractor chooses to use on the Project.

TAB 1B – PREVAILING WAGE INFORMATION

2.3.6 Subcontractor will comply with the applicable requirements and joint apprenticeship standards required by Labor Code section 1777.5.

2.3.7 Subcontractor will comply with Labor Code section 1725.5 if applicable, which requires that contractors and subcontractors who bid, are listed in a bid proposal, or work on a public works project register and pay an annual fee to the Department of Industrial Relations, (DIR). The registration program became effective on July 1, 2014. Effective March 1, 2015 no contractor or subcontractor may be listed on a bid proposal for a public works project unless registered with the DIR. Effective April 1, 2015 no contractor or subcontractor may work on a public works project unless registered with the DIR (except for construction projects of \$25,000 or less or maintenance work of \$15,000 or less). The registration period runs from July 1st and is valid through the end of June annually. DIR maintains an up to date listing of registered contractors.

2.3.8 Subcontractor will maintain its DIR registration in good standing, and ensure that its tier-subcontractors maintain their DIR registrations in good standing, during the course of the Work. (See Labor Code § 1771.1.)

2.3.9 If applicable to Subcontractor or anyone working under it, under Labor Code section 1775, Subcontractor will forfeit as a penalty to the Owner not more than \$200 for each calendar day, or portion thereof, for each worker paid less than the stipulated prevailing wage rate for any Work performed by Subcontractor, or by any consultant under Subcontractor, in violation of the provisions of the Labor Code. The difference between the stipulated prevailing wage rate and the amount paid to each worker for each calendar day or portion thereof, for which each worker was paid less than the stipulated prevailing wage rate, will be paid to each worker by the Subcontractor.

2.3.10 If applicable to Subcontractor or anyone working under it, Subcontractor will, as a penalty to the Owner, forfeit \$25 for each worker employed in the execution of the Work for each calendar day that the worker is required or permitted to work more than 8 hours in any one calendar day and 40 hours in any one calendar week in violation of the provisions of Section 1813. Notwithstanding the provisions of Sections 1810 to 1814, inclusive, of the Labor Code, the work performed by employees of contractors in excess of 8 hours per day, and 40 hours during any one week, will be permitted upon compensation for all hours worked in excess of 8 hours per day at not less than 1 1/2 times the basic rate of pay.

2.3.11 Subcontractor is aware that, pursuant to Labor Code 1813, the Owner is required to notify all violations of this provision to the Division of Labor Standards Enforcement.

2.4 Indemnification. The Subcontractor agrees to indemnify and hold harmless Owner and Unger for any violations of the above-referenced Labor Code provisions, which were caused by the Subcontractor's failure to comply with the said provisions.

TAB 2 - Safety, Health, and Environmental Subcontractor Required Safety Information

TAB 2 – SAFETY, HEALTH, AND ENVIRONMENTAL SUBCONTRACTOR REQUIRED SAFETY INFORMATION

Subcontractor Safety Requirements

Since our inception, safety has been part of Unger's fundamental culture. We started as a family business. With respect to safety, Unger treats employees and Subcontractors as part of its extended family. Safety at Unger isn't about money, insurance savings, or mandatory requirements set forth by governmental agencies. To us, safety is about people and making sure at the end of the day they go home in good health to their family and friends. Unger is a team oriented, learning centered organization that promotes safety excellence through awareness, empowerment and participation at all levels.

Safety excellence at Unger is defined by our planning and executing work with a passion for preventing injuries. Additionally, safety excellence includes: looking out for each other's safety, stopping and correcting unsafe acts or unsafe conditions on the spot, coaching and developing less safety savvy individuals.

Our safety excellence goal is not limited to our corporate boundaries. Unger willingly partners with Subcontractors, trade organizations and local universities to improve safety in the construction industry. Employees and Subcontractors understand that the expectation is to eliminate injuries, not to hide them. Hiding injuries provides the illusion of safety excellence. We want Unger and our Subcontractors to achieve safety excellence. In order to achieve safety excellence, you need total commitment from the top down, the bottom up and both ways from the middle of our organization. In fact, Unger believes the truest measure of safety excellence is when peer to peer observations correct unsafe work behaviors and unsafe conditions without the need for management intervention.

The intention of our safety program is fact finding, not fault finding. Freely identifying our shortcomings, celebrating our successes and putting proper measures in place help make measureable progress in Unger's safety excellence journey. We have not fully achieved safety excellence, and in fact we might never be able to achieve it, but it is our goal and we are continuously making improvements. The safety of our people and our reputation are worth it.

1. General Expectations

Subcontractors must develop and maintain safety, health and environmental programs and procedures that meet or exceed Federal, State, and Local laws, regulations and standards. Subcontractor will also comply with any Owner and/or Unger site specific requirements.

Subcontractors will make Unger immediately aware of any unique safety, health, or environmental concerns related to its Work and make timely efforts to notify other affected contractors working on site and protect the public from hazards.

Subcontractors will be responsible for costs related to fines and citations issued by regulating agencies and others caused by or related to Subcontractor's Work.

TAB 2 – SAFETY, HEALTH, AND ENVIRONMENTAL SUBCONTRACTOR REQUIRED SAFETY INFORMATION

2. Pre-Mobilization Meeting

Prior to onsite mobilization, all subcontractors are required to develop and submit Unger's Pre-Mobilization Checklist. Pre-Mobilization Checklist available in the Project Manual, TAB 2A.

The checklist must be completed and submitted to Superintendent during the pre-mobilization meeting. The Subcontractor's foreman or team lead that will be performing the Work must attend the pre-mobilization meeting. Subcontractors will incorporate their respective work and the work of their respective tier-subcontractors' portion of the work. Each tier-subcontractor is expected to fill out a checklist. Crews will be allowed to start Work until the checklist has been reviewed and approved by Unger.

****Failure to submit the required checklist and accompanying data may result in the withholding of progress payments due to the Subcontractor and/or may delay the start of Work by Subcontractor.****

3. Staffing Requirements and Expectations

Subcontractor will provide an adequate number of first aid trained people to respond to emergency events. Unger will be notified of any changes in First Aid/CPR staffing during performance of the Work on the Project. Subcontractors will provide Unger with a site-specific emergency plan identifying CPR/First Aid staff, First Aid equipment, and the nearest medical clinic or hospital on the pre-mobilization form.

4. Orientation

Subcontractor's employees must attend a site specific safety orientation. Unger conducts a site specific orientation for all subcontractors, vendors and support personnel prior to granting access to the jobsite. This orientation communicates the Owner's expectations as well as Unger's expectations. The safety orientation is conducted by supervisory personnel in a face-to-face format to ensure that each worker fully understands site safety expectations. The orientation typically lasts about 45 minutes.

5. Safety Meetings

Subcontractor's superintendent and/or foreman must be present at all Unger scheduled safety/coordination meetings and it is Subcontractor's superintendent's or foreman's responsibility to relay the information to other members of Subcontractor's crew. Each subcontractor must also conduct its own safety meetings as required by law. In addition, Subcontractor's personnel will attend Unger's weekly toolbox training meetings and coordination meetings if directed by the Unger's Superintendent. Subcontractors are to provide Unger's Superintendent with a copy of Subcontractor's safety meeting reports.

TAB 2 – SAFETY, HEALTH, AND ENVIRONMENTAL SUBCONTRACTOR REQUIRED SAFETY INFORMATION

Performance expectations are managed via 10–15 minute daily “all hands” safety coordination huddles comprised of all subcontractors on the jobsite. Unger believes the huddles build better team harmony, improve communications and productivity across trades, which leads to better safety performance overall.

6. Alcohol and Drug Free Project

The use of drugs and alcohol are strictly prohibited at the Project site. Unger reserves the right to require drug testing of Subcontractor’s employees before commencement of the Work onsite and after accidents unless otherwise prohibited by law or by collective bargaining agreement.

7. Insurance and Accident Report

All subcontractors are required to immediately notify Unger's Superintendent any accident or injury to Subcontractor's employees, tier-subcontractors, or suppliers, and will furnish Unger with a written report of the accident as well as copies of all accident reports not later than 24 hours following an accident. Written reports and/or accident reports must include information about any injury to Subcontractor's employees and/or accidents involving other people or property damage caused by Subcontractor's actions. Subcontractor employees, including site supervision, the designated safety person, the subcontractor's safety manager, and the employee's involved in the incident, will be required to meet with the Unger's Superintendent immediately following an incident to discuss the root cause and the corrective measures to be taken to ensure that the incident does not reoccur. Subcontractors should have post-incident drug testing procedures.

In the event of media involvement, Subcontractors will cooperate with Unger and follow Unger's and Owner's direction in their crisis management efforts.

8. Safety Data Sheets (SDS).

Subcontractor will submit all SDS required by law before delivery of any hazardous materials or substances to the site. The SDS must contain all information required by Title 29 Code of Federal Regulations, Part 1910, as amended. All hazardous compounds must be clearly labeled as to content, with appropriate warnings noted, and name and address of the manufacturer listed. Subcontractor's employees using these compounds must be trained in protective handling and potential hazards before any hazardous compounds or materials included in the Work or that arrive on site. Subcontractor will inform Unger in writing of any precautionary measures to be taken to protect employees.

9. Signage and Barriers.

Subcontractor will erect and maintain reasonable safeguards for safety and protection, including installing barricades and barriers, posting danger signs and other warnings against hazards, and promulgating safety regulations.

TAB 2 – SAFETY, HEALTH, AND ENVIRONMENTAL SUBCONTRACTOR REQUIRED SAFETY INFORMATION

10. Project Safety Inspections and Audits

Subcontractors will conduct daily safety inspections of the Work areas and will cooperate with any regulatory agency consultation or compliance inspections including any inspections or audits performed by an insurance agency or consultant. Written safety audits or inspections must be done at least weekly and documented by Subcontractor. Documentation of safety audits must be available upon request to Unger. Subcontractor's will report any hazards found at the Project to Unger's Superintendent whether related to Subcontractor's Work or other work, and must immediately correct any Subcontractor unsafe conditions.

Subcontractors will be notified of any violations of safety regulations and safe practices while working on site. Failure to correct conditions within 24 hours places the offending Subcontractor in violation of its Subcontract. This may result in progress payments being withheld until the conditions noted are corrected and could result in termination of Subcontract. If the hazard is serious, Unger will stop Subcontractor's Work activities until the hazard is corrected at the Subcontractor's expense. Any employee who refuses to comply with or has been repeatedly observed violating safety regulations will be removed from the Project site.

11. Enforcement / Disciplinary Procedures

Workers who do not comply with safe practices or who are in violation with the Project safety procedures are subject to the following disciplinary steps:

- a. Verbal warning
- b. Written warning
- c. Suspension from the site for a period of not less than 3 business days
- d. Worker asked to leave site permanently

If any employee demonstrates a willful or repeated violation of the safe policies and practices or the employee's action willfully disregarded his or her safety or the safety of any workers, the offending worker will be asked to leave the site without a verbal or written warning. It is the Subcontractor's responsibility to replace any worker removed from the Project site with another comparable worker and without delay in Project Schedule.

12. JHA and Pre-Task Planning

All subcontractors are required to furnish to Unger a Job Hazard Analysis (JHA), safe work plan or pre-task plan prior to commencement of work on site. Subcontractor's JHA must cover general and specific Work activities, and all related hazards, and actions to be taken to eliminate the hazards. Subcontractor must submit the JHA to Unger for approval before commencement of the Work on-site. Subcontractor will go over the JHA with its on-site workers as part of Subcontractor's training. During performance of the Work,

TAB 2 – SAFETY, HEALTH, AND ENVIRONMENTAL SUBCONTRACTOR REQUIRED SAFETY INFORMATION

Subcontractors may be required to submit additional JHAs to Unger for Work activities or related hazards not covered by the original JHA . Subcontractor will perform and document pre-task planning to identify any hazards related to its Work. The JHA must be available at the Project site for inspection by Unger at any time.

13. Proof of Training

A number of tasks have formal training requirements or certifications required by regulatory agencies. For example powered industrial equipment (forklifts, boomlifts, scissorlifts) heat illness prevention, powder actuated tools, scaffold and fall protection to name a few. Before Subcontractor can start Work at the Project site, proof of training must be submitted to the Unger's superintendent for all employees that will be working on the jobsite. Failure to provide proof of training is not justification for a delay in the Project Schedule.

14. Dress Code

All Subcontractors' employees must be dressed in appropriate clothing when entering the jobsite including long pants, work boots, and shirts with sleeves.

15. Music Players

The use of portable audio, video players “open air” and personal music systems such as; iPods, MP3, CD players, cell phones, headsets, earphones and related equipment that may interfere with verbal instructions, audible alarms, emergency warnings, or construction sounds, are strictly prohibited.

16. Personal Protective Equipment

Safety glasses, hard hats and work boots are required 100% of the time while working within the designated construction area. High visibility top colors (vest, shirt, jacket) are required when powered industrial equipment such as scissors lifts, forklifts, boom lifts, backhoes, concrete trucks, concrete pumps, delivery trucks, cranes, or earth moving equipment. In other words, most construction sites will require a high visibility top color. Other safety equipment such as gloves or safety goggles may be required depending on the activity. Subcontractors are responsible for providing necessary PPE for their employees and all tier-subcontractor employees.

17. Silica Dust

The following is a list of requirements for subcontractors that work with materials that contain silica.

- a. Silica Dust Hazard Communication – Health hazards associated with respirable silica, Subcontractor's to provide specific tasks that could result in exposure, specific measures implemented to protect subcontractor employees, purpose and description of medical surveillance.

TAB 2 – SAFETY, HEALTH, AND ENVIRONMENTAL SUBCONTRACTOR REQUIRED SAFETY INFORMATION

 - 1) Personal protective equipment (respirators)
- e. Respiratory Protection
 - 1) Annual Medical Evaluation
 - 2) Annual fit testing
 - 3) Respiratory training (usage, limitations, maintenance, storage)

18. Stop Work Cards

Unger expects excellence in its safety programs, the quality of materials/workmanship and its business practices. Every employee and Subcontractor must adhere to the highest quality standards as well as Unger's safety policies. Unger's senior management team empowers each and every Subcontractor and employee to stop unsafe acts, to correct conditions that appear to be unsafe, and to stop poor quality or substandard workmanship.

Employees and Subcontractors can promptly stop any activity that violates Unger's quality expectations, safety policies or business practices by presenting a stop work card. When a stop work card is presented, work must stop immediately. Work cannot restart until a better, safer way of performing the work can be developed or it is determined that the current practice is appropriate.

If something does not:

TAB 2 – SAFETY, HEALTH, AND ENVIRONMENTAL SUBCONTRACTOR REQUIRED SAFETY INFORMATION

- a. Look right
- b. Sound right
- c. Seem right
- d. Feel right
- e. Smell right

Present the stop work card. Discuss the situation. A copy of the card can be obtained by asking Unger's superintendent. A physical copy of the card is not needed in order to stop the work and discuss the situation.

19. COVID 19 Procedures and Reporting Requirements

- a. COVID 19 regulations (OSHA) and Best Practices (CDC, Local Government, Public Health) change frequently and are not uniform for all of our project locations. Each Unger Construction project has a Site Specific COVID Safety Plan that includes roles responsibilities for everyone working on that project. Each project will be updated as necessary.
- b. The Unger Construction Project Superintendent is designated as the default project site specific COVID-19 Safety Compliance Officer, unless otherwise directed by Unger in the site specific plan.
- c. Everyone is required to wear a face mask covering their nose and mouth.
- d. Unger Construction will prescreen individuals entering the site daily to ensure the safety of all. Jobsite screening by Unger Construction and subcontractors shall be conducted and recorded prior to workers beginning work within the designated project site. The following questions are typical, some sites may vary:
 - 1) Are you experiencing symptoms of COVID 19 (cough, fever, chills, shortness of breath, difficulty breathing, chills, muscle pain, headache, sore throat, recent loss of taste or smell, loss of appetite, diarrhea)?
 - 2) Are you taking any over the counter or prescription medications to reduce or control fever?
 - 3) Have you been in close contact with anyone who has been diagnosed with COVID 19?
 - 4) Have you been in close contact with anyone who is experiencing symptoms of COVID 19?
 - 5) If a worker answers 'yes' to any of the above questions, access to the site will be denied. The worker will be told to leave the jobsite immediately, contact their supervisor and self-quarantine. The supervisor of the ill worker shall follow the site specific protocol for reporting an ill worker.
- e. Workers must notify their supervisors immediately if they begin feeling ill during the day or if someone in their household is sick. If there is a suspected or confirmed case of COVID-19 involving a worker(s) that was on the jobsite:

**TAB 2 – SAFETY, HEALTH, AND ENVIRONMENTAL
SUBCONTRACTOR REQUIRED SAFETY INFORMATION**

- 1) If a worker is symptomatic with a fever and other symptoms prior to confirmation of COVID-19, this could be considered an exposure to other workers and they must be sent home.
 - 2) Should any workers develop a fever and other symptoms they should be referred for medical care.
 - 3) When Unger Construction is made aware of a worker that tests positive for COVID-19 by a medical provider, Unger Construction will notify the Project Owner's Representative.
 - 4) If exposure has occurred the company for which the ill worker is employed shall clean and disinfect commonly touched surfaced in the work area. In some instances Unger Construction may quarantine the impacted work are for 72-hours.
- f. Social distancing, specifically separation of 6 feet, will be implemented where practical. This practice is difficult to achieve and will require coordination and patience between workers.
- 1) Workers should maintain social distancing (arm's length between workers) to the best of their ability. Speak with your supervisor if you are not able to safely perform your job function while maintaining social distancing.
 - 2) If a worker is not able to comply with 6' of separation they must notify Unger Construction so the project team can engage in scheduling and re-sequencing the project to allow these distances between all trades.
 - 3) Distancing guidelines will be discussed each day as part of daily huddles and pre-task plan sessions.
 - 4) Foremen & leads should be especially observant to social distancing and make adjustments as needed.
 - 5) Lunch/breaks shall be conducted in a manner and location that will enable proper social distancing.

Cleaning does not kill germs it decreases their number reducing the risk of spreading infection. Disinfection is killing germs on the surface. Disinfection does not necessarily clean dirty surfaces.
- b. Due to the limited availability of disinfection products common household cleaning products (all-purpose cleaners similar to Pine sol, 409, Windex, Simple Green etc.) will be utilized when they are available. As a default position cleaning/disinfection shall be performed with detergent/soap and water.
- c. Follow the manufacturer's instructions for all cleaning and disinfection products. Labels will contain instructions for safe precautions you should take when applying the product (such as wearing gloves and making sure you have good ventilation) and effective use of the product (concentration, application method and contact time).
- d. Cleaning/disinfecting products are not designed for all surfaces or materials. Follow the manufacturer's recommendations. For example, soft (porous) surfaces such as upholstery, carpeted floor and rugs, should be cleaned/disinfected with methods that are appropriate these surfaces.
- e. Products and personal protective equipment used for cleaning/disinfecting shall be provided by the company that is responsible for their scope of work.
 - 1) Paper products used for cleaning/disinfecting shall be bagged, sealed and discarded into jobsite trash cans after use.

Tab 2A – Pre-Mobilization Checklist

Pre Mobilization Checklist

This checklist is a tool to help identify, based upon your scope of work, the job specific tasks, hazards and controls. The purpose is to ensure your plans properly align with CAL OSHA and Unger Construction's requirements.

The checklist is shall be filled out before crews are sent to the jobsite. Subcontractors shall incorporate their work and the work of all their lower tier subcontractors. Each individual lower tier subcontractor is expected to fill out a checklist. Filling out the checklist helps Unger's Project Management and Unger's EHS team ensure the subcontractor is taking into account expected hazards and controls based upon the scope of work. When the checklist has been reviewed and approved by Unger Construction crews will be allowed to start work.

Subcontractor Company Name:			
Project Title:			
Expected Start Date:

Phone No:		Email:	
Please give a detailed description of the Scope of Work to include all subcontractors (describe the means, methods and approach for completing the project):

Pre Mobilization Checklist

Checklist: The checklist has been provided to assist in the planning and implementation of your activities. The checklist should be completed and submitted to Unger's Project Manager before mobilization to the project site. Failure to submit the required checklist and accompanying data may result in the withholding of progress payments due to the subcontractor or may delay the start of work by the subcontractor.

Prior to onsite mobilization: All subcontractors (and their second tier subcontractors) are required to develop and submit a safe work plan (some organizations call them job hazard analysis others call them pre-task plans) to be reviewed for their scope of work. The safe work plan must be reviewed and approved by Unger Construction before crews can mobilize to the site. If this process is unfamiliar Unger Construction will assist with developing a safe work plan.

Proof of training and or certification needs to be submitted to the Unger Project Manager for all employees that will be working on the jobsite, before the subcontractors can start work. For example powered industrial equipment, heat stress, powder actuated tools, scaffold, and fall protection to name a few.

Pre-Task Planning: All subcontractors are required to furnish to Unger Construction a Job Hazard Analysis (JHA), safe work plan or Pretask plan prior to commencement of work on site. The JHA shall cover general and specific work activities, all related hazards, and actions to be taken to eliminate the hazards. The JHA shall be submitted to Unger Construction and approved prior to commencement of work. The subcontractor shall go over the JHA with all workers on site as part of their training. Subcontractors may be required to submit additional JHAs by Unger Construction not covered by the original JHA during the course of work. Subcontractor shall perform and document pre-task planning to identify any hazards related to their work. The JHA shall be available for inspection by Unger Construction at any time.

Setting the Safety Culture at the Jobsite: Unger Construction conducts a site specific orientation for all subcontractors, vendors and support personnel prior to granting access to the job site. This orientation communicates the property owner's expectations as well as Unger Construction's expectations. This orientation is conducted by supervisory personnel in a face-to-face format to ensure each worker fully understands the expectations, this orientation typically last ~45 minutes. During their jobsite safety orientation, subcontractors are made aware of our "Stop Work Card" program. The focus of the Stop Work Card is on changing behavior, not punishment. The primary purpose of the Stop Work Card is to allow people to freely stop unsafe activities from proceeding or happening at all. The secondary purpose is to eliminate undesirable behavior and to correct unsafe conditions. Anyone can present our Stop Work Card, anytime there is a safety concern. When a Stop Work Card is presented work must stop immediately. Work cannot restart until a better, safer way of performing the work can be developed or it is determined that the current practice is appropriate.

Responsibility: Subcontractors shall make Unger Construction immediately aware of any unique safety, health, or environmental concerns related to their work and make timely efforts to notify other affected contractors working on site and protect the public from hazards.

Dress Code/Music Players: All Subcontractors' employees shall be dressed in appropriate clothing when entering the jobsite, including long pants, work boots, shirts with sleeves. Whenever powered industrial vehicles such as scissor lifts, forklifts, aerial boom lifts or earth moving equipment are onsite the workers top or outermost layer must be a high visibility color. A high visibility top color garment could be a vest, jacket, sweatshirt, or tee shirt. Music players (radio, iPod, MP3) are not allowed.

Personal Protective Equipment (PPE):

Safety glasses, hard hats and work boots are required 100% of the time while working within the designated construction area. High visibility top colors (vest, shirt, jacket) are required when powered industrial equipment such as scissors lifts, forklifts, boom lifts, backhoes, concrete trucks, concrete pumps, delivery trucks, cranes, or earth moving equipment. In other words on most construction sites will require a high visibility top color.

Preamble

This Agreement represents a new beginning of cooperation between signatory employers and the Union in a mutual effort to retain and regain the major portions of the work within the geographic area for unionized construction. The successes of the Agreement will be judged on the ability of the signatory contractors to be successful in obtaining contracts where union employees will be employed.

AGC/CARPENTERS MASTER LABOR AGREEMENT

46 Northern California Counties

2018 – 2023

Section 1

THIS MASTER AGREEMENT, made and entered into this 2nd day of April, 2018, by and between the ASSOCIATED GENERAL CONTRACTORS OF CALIFORNIA, INC. (AGC), and their respective members, herein referred to collectively as the Employer and the CARPENTERS 46 NORTHERN CALIFORNIA COUNTIES CONFERENCE BOARD, on behalf of the Northern California Carpenters Regional Council (NCCRC) and affiliated Local Unions having jurisdiction in the 46 Northern California Counties, hereinafter referred to as the Union. This Agreement amends, modifies, supplements, changes, extends and renews the Agreements dated June 16, 1971, July 18, 1974, June 16, 1977, June 16, 1980, September 1, 1982, January 1, 1986, April 1, 1988, June 16, 1992, June 16, 1996, August 1, 1999, July 1, 2003, July 1, 2001, July 1, 2011, June 15, 2011, July 1, 2014 and is effective July 1, 2018.

Section 2 Term of Agreement

This Agreement shall remain in full force and effect from the 1st day of July, 2018, through the 30th day of June, 2023, and shall continue thereafter unless either party, not more than ninety (90) days nor less than sixty (60) days prior to the 30th day of June, 2023, or not more than ninety (90) days nor less than sixty (60) days prior to the 30th day of June of any subsequent year in which the Master Agreement may terminate, serves written notice on the other of its desire to change, modify, amend, supplement, renew, extend or terminate this Agreement.

All notices required to be given to the Union shall be addressed to it at 265 Hegenberger Road, Suite 220, Oakland, California 94621.

While this Agreement continues in effect, neither party will make demands upon the other party for any changes in conditions or benefits or for any new or additional conditions or benefits except at the time and in the manner provided above. Notice to the Employer shall be deemed notice to all Individual Employers.

The parties to this Agreement recognize the necessity of assuring the competitive position of the parties within the industry during the term of this Agreement. Consistent with that recognition, the parties will continually monitor the effectiveness of this Agreement relative to specific geographic or market areas and will endeavor, by mutual agreement; to initiate such modifications to the Agreement during its term as may be necessary to assure the work opportunities of the employees and the competitive position of the Individual Employers.

Section 2-A Carpenters Work Preservation Committee

Notwithstanding the provisions of Section 2, the parties agree that the Associated General Contractors of California is entitled to appoint an equal number of representatives that the other Employer Associations have on a single Carpenters Work Preservation Committee. The Carpenters 46 Northern California Counties Conference Board shall be entitled to appoint a number of representatives equal to the number of Employer Association representatives. This Committee will review requests for changes in the terms and conditions of the Labor Agreement that may be necessary to preserve work opportunities for employees and Individual Employers covered by this Agreement. The Committee is authorized to approve such changes as it deems to be in the best interest of the parties to this Agreement.

Section 5 Recognition of Employer

The Union hereby recognizes the Employer as the sole and exclusive bargaining representative for their respective members, present and future, who are or hereafter become members.

Section 6 Employer Membership

This Agreement is made for and on behalf of and shall be binding upon all persons, firms or corporations under any name or style of doing business in the construction industry that, at the time of the execution of this Agreement are, or during the term hereof become, members of the Employer, in the area covered by this Agreement. A list of such Individual Employer members shall be furnished to the Union upon the execution of this Agreement, and thereafter shall be furnished to the Union not less often than once a month.

In addition, the Employer shall immediately notify the Union in writing whenever an Individual Employer becomes a member of the Employer. Notwithstanding the foregoing, the Union shall have the right, within seventy-two (72) hours of receipt of said written notice, to object to any Individual Employer becoming a party to this Agreement and to insist upon, if appropriate, negotiations separately with that Individual Employer. Upon receiving such objection from the Union, this Agreement shall be null and void ab initio for all purposes as to that Individual Employer only. This paragraph does not apply to an Individual Employer that is signatory to an existing Agreement with the Union.

All Individual Employers shall be and remain liable under this Agreement for and during the term thereof, irrespective of whether such Individual Employers shall resign from membership in the Employer or withdraw from the Carpenter Multiemployer Bargaining Section prior to the expiration date of this Agreement, and such liability shall be deemed to have survived the termination of said membership or withdrawal and remain in force for and during the term of this Agreement. Such Individual Employers shall be bound by any amendments, modifications, supplements, changes, extensions or renewals of or to this Agreement unless such Individual Employer gives written notice to the Employer and to the Union not more than ninety (90) days nor less than sixty (60) days prior to July 1, 2023, or July 1 of any year in which this Agreement may terminate.

Section 7 Recognition of Union

The Union has requested recognition as the Section 9(a) representative of the employees covered by this Agreement and has demonstrated or offered to demonstrate that the majority of the employees have authorized the Union and/or each of its constituent bodies to represent them in collective bargaining. The Employer and each Individual Employer expressly acknowledge that they and each of them have satisfied themselves that the Union and/or each of its constituent bodies represents a majority of employees employed to perform bargaining unit work and agrees that the Union and/or each of its constituent bodies is the Section 9(a) collective bargaining representative of such employees. The Employer, on behalf of itself and each of its members, and each Individual Employer, specifically agrees that it and they are establishing or have established a collective bargaining relationship by this Agreement within the meaning of Section 9(a) of the National Labor Relations Act of 1947, as amended. The Union is recognized as the sole and exclusive bargaining agent for itself, the NCCRC and all of its affiliated Local Unions.

Any dispute concerning the interpretation or application of this Section shall be resolved by the permanent neutral Arbitrator pursuant to the procedures set forth in Section 51 (Grievance Procedure) of this Agreement, either during the term of this Agreement or anytime thereafter, whenever the issue is raised by either party. The Employer, on behalf of itself and each of its members and each Individual Employer, specifically agree that the permanent neutral Arbitrator may order (as the Arbitrator deems appropriate) the parties to bargain in good faith for any period following a written notice of termination of this Agreement unless and until a lawful impasse occurs or until a successor Agreement is negotiated or any other appropriate remedy.

Section 8 Independent Agreement

In the event the Union establishes special conditions for work covered by this Agreement, those special conditions shall be made available to the Employer or Individual Employers who wish to perform the designated work in the same locality as provided for in that immediate Area Agreement.

The Union will promptly notify the Employer in writing of any amendment, modification, exception or addendum to this Agreement which might be negotiated in any area covered by this Agreement between the Union, any Individual Employer or group of Individual Employers.

Section 9 Liability of the Parties

This Agreement is made for and on behalf of, and shall be binding upon all persons, firms and corporations, who at the time of execution of this Agreement are members of the Employer, or subsequently become members of the Employer as defined in Section 6 (Employer Membership). This Agreement is binding upon each Individual Employer regardless of whether or not the Individual Employer changes the name or style or address of the business. Each Individual Employer, corporate or other legal entity, or its successor as per Section 6 (Employer Membership), shall be liable, subject to, and bound by this Agreement. It is agreed that the wages, hours and working conditions of this Agreement are the wages, hours, and working conditions in the area covered by this Agreement.

Except as may be provided in Section 2 (Term of Agreement) of this Agreement, each employer individually signatory hereto waives any right that he/she or it may have to terminate, abrogate, repudiate, or cancel this Agreement during its term, during the term of any future modifications, changes, amendments, supplements, extensions, or renewals of or to said Master Agreement, or to file any Petition before the National Labor Relations Board seeking to accomplish such termination, abrogation, cancellation or repudiation.

Section 10 General Saving Clause

It is not the intent of either party hereto to violate any laws, rulings, or regulations of any governmental authority or agency having jurisdiction of the subject matter or of this Agreement, and the parties hereto agree that in the event any provision of this Agreement is finally held or determined to be illegal or void as being in contravention of any such laws, rulings or regulations, nevertheless, the remainder of this Agreement shall remain in full force and effect unless the parts so found to be void are wholly inseparable from the

remaining portion of this Agreement. The parties agree that if and when any provisions of this Agreement are held or determined to be illegal or void they will then promptly enter into lawful negotiations concerning the substance thereof.

It is the intent of the parties to this Agreement that each and every, all and singular, of the provisions of this Agreement be fully in accordance with Federal and State Law. Its interpretation and the interpretation of each of the provisions of this Agreement are therefore intended to apply no broader than that permitted by law.

Section 11 No Discrimination

It is mutually agreed that the Individual Employer and the Union shall fully comply with all Federal and State Laws, including but not limited to all of the provisions of Title 7 of the Civil Rights Act of 1964, as amended, Presidential Executive Order No. 11246, the California Fair Employment and Housing Act, as amended; and the Americans with Disabilities Act of 1991, as amended to the end that no person shall, on the grounds of age, sex, race, color, national origin, sexual orientation, gender, ancestry, disability as defined by the Americans with Disabilities Act of 1991 and the California Fair Employment and Housing Act, or Vietnam Veteran status, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination by not having full access to the contents of this Agreement.

It is further agreed that no person or applicant for employment shall be discriminated against or shall have his/her employment relationship affected by reason of his/her age except as provided in the Trust Agreement, rules and regulations, and statements of procedure governing the Carpenters Training Committee for Northern California.

Nothing in this section and no grievance filed pursuant to this section shall be deemed a waiver of any individual worker's statutory rights provided by Federal and/or State Laws.

Throughout this Agreement, wherever the masculine gender appears, the feminine form applies equally and may be substituted therefore.

Section 12 Union Security

1. Every person performing work covered by this Agreement who is a member of the Union and in the employment of an Individual Employer on work covered by this Agreement on the effective date of this Section 12 shall, as a condition of employment or continued employment, remain a member in good standing of the Union or the appropriate Local Union of the Union. Every other person covered by this Agreement and employed to perform work covered by this Agreement shall be required, as a condition of employment, to apply for and become a member of and to maintain membership in good standing in the Union or the appropriate Local Union of the Union which has territorial jurisdiction of the area in which such person is performing work on the expiration of eight (8) days of employment, continuous or cumulative, on such work following the beginning of such employment or the effective date of this Section 12, whichever is later. Membership in any Local Union shall be available to any such person on the same terms and conditions generally applicable to other members. If Federal Law is hereafter amended to permit a lesser requirement for union membership or union membership as a condition of employment than provided in this Section 12, the Employer and the Union will promptly enter into negotiations with regard to such subject.
2. The Individual Employer shall not be required to discharge any employee pursuant to this Section 12 until a written notice from the appropriate Local Union of the Union of such employee's non-compliance with this Section 12, stating all pertinent facts showing such non-compliance, shall have been served upon such Individual Employer and two (2) working days shall have been allowed for compliance therewith.
3. No person (owner, partner, or officer of any Individual Employer) shall be permitted to perform work covered by this Agreement unless such person is covered by all the provisions of this Agreement including the payment of all Trust Fund contributions; provided, however, that not more than one (1) owner may be permitted to work with the tools under the same conditions with the exception of Section 12 (1), and provided that while contributions to all Trust Funds shall be required on the basis of hours actually worked, no Health and Welfare eligibility shall be accrued or granted for an owner required to report under this section unless hours for which contributions are received on behalf of the owner equal or exceeds an average of (145) hours during the three most current work months and provided that all contributions due on behalf of all hours for all employees reported by the employer are current.

Furthermore, no hours reported under this section shall be used to qualify for any disability benefit, credit, or extension provided by any of the Carpenter benefit funds established by this Agreement. Additionally, in the event that delinquent contributions are due, no owner hours to any fund shall be credited towards benefits until the delinquency is resolved. This section shall not be interpreted so as to diminish work opportunity for employees covered by this Agreement.

Membership in good standing shall be defined as the tendering of uniform initiation fees and dues, including Work Fee.

Section 13 Union Representative

Union representatives shall be permitted at all times upon any place or location where any work covered by this Agreement is being, has been, or will be performed.

Where there are visitation or safety restrictions imposed at the jobsite, Union representatives shall make a good faith effort to comply by the Individual Employer's jobsite specific safety policy and the Individual Employer will use his/her best efforts to provide access to the site by the Union representative.

Section 14 Stewards

1. A steward shall be a working journeyman employee, appointed by the Local Union or the NCCRC of the Union, who shall, in addition to his/her work as a journeyman be permitted to perform, during working hours, such of his/her Union duties as cannot be performed at other times. The Union agrees that such duties shall be performed as expeditiously as possible and the Employer agrees that stewards shall be allowed a reasonable amount of time for the performance of such duties. The Union shall notify the Individual Employer of the appointment of each steward. Unless notified to the contrary, the first journeyman on the job shall act as job steward until the Union appoints a successor. In no case shall a foreman be a steward.
2. No steward shall be discharged or laid off except for just cause. In the event of layoff or discharge of a steward, the Union shall be given notice in writing at least two (2) working days prior to the effective date of such discharge or layoff. Such notice shall contain the reasons for layoff or discharge.

The steward shall be the last employee other than the foreman to be laid off for lack of work but may be transferred to another job providing the Union is given prior notice for the transfer.

3. Application or violation of this Section shall be subject to Section 51 (Grievance Procedure).

Section 15 No Strike

Except as provided in this Section, there shall be no strike, lockout or work stoppage by any party hereto or any Individual Employer. The Union may withhold workers or picket the job of any Individual Employer who fails to pay wages or is in violation of the Piece Rate Prohibition or Trust Fund Contribution provisions of this Agreement. The Union may withhold workers of any subcontractor who fails to pay wages or is in violation of the Piece Rate Prohibition or Trust Fund Contribution provisions of this Agreement. The Union, with five (5) days written notice to the Individual Employer may withhold workers or picket the job of any Individual Employer for violation of the Hiring Hall (Section 49), Union Security (Section 12) or Subsistence (Appendix A) provisions of this Agreement only if no dispute exists between the Employer and the Union concerning such alleged violation.

Section 16 Jurisdictional Disputes

There shall be no cessation or interference in any way with any work of the Employer or any Individual Employer by reason of Jurisdictional Disputes between the Union and any other union with respect to jurisdiction over any of the work covered by this Agreement. Such disputes will be settled by the Unions themselves, or submitted to the International Presidents of the Unions involved in the dispute, for determination. Until such determination is made and confirmed by the disputing Unions, the work shall proceed as originally assigned by the Individual Employer. Craft jurisdiction is neither determined nor awarded by classifications or coverage descriptions appearing in this Agreement. The Individual Employer shall be bound by an agreement between the General Presidents.

Section 17 Picket Lines

The parties to this Agreement recognize that it is vital to the unionized segment of the construction industry that the work opportunities of the employee and the Individual Employer signatory to this Agreement proceed without interruption

because of disputes involving employers and/or unions not signatory to this Agreement.

The Union will not discipline, the Individual Employer will not permanently replace and the parties both agree not to threaten nor cause to be denied the rights of individual workers to respect primary picket lines established at or on the jobsites of the Individual Employer.

Section 18 Efficiency

It is agreed that the carpenters, through their field representatives, use their efforts to encourage greater efficiency on the job and that they refrain from the solicitation of premium payments for employees represented by the Union. The employees and the Union shall use their efforts to encourage greater efficiency compatible with sound construction practices on the job and shall refrain from the solicitation of premium payments for employees.

Except as provided in Section 50 (Work Preservation, Contracting and Subcontracting) hereof, neither party to this Agreement shall by working rules or any other means or device, impose or direct any work limitations affecting quantity restrictions, quotas or units of production, either maximum or minimum, relating to work covered by this Agreement.

No rules, customs or practices shall be permitted that limit production or increase the time required to do any work. There shall be no limitation or restriction of the use of machinery, tools or other labor-saving devices supplied by the Individual Employer.

Section 19 Safety

The Union shall cooperate (1) with the Individual Employer and with each other in carrying out all of the Individual Employer's safety measures and practices for accident prevention and (2) employees shall perform their duties in each operation in such a manner so as to promote efficient operation of each particular duty and of any job as a whole. The Union and the Employer recognize that drug and alcohol abuse creates an unsafe and inefficient work place. The Individual Employer must post the name and address of their doctor and the compensation insurance carrier on the jobsite.

All Federal and State safety rules, regulations, orders and decisions shall be binding upon the Individual Employers and their employees and shall be applied to all work covered by this Agreement. No worker shall be required to work under unsafe conditions.

The Individual Employer shall be solely responsible for implementation and maintenance of such safety laws, rules, regulations, standards, orders and decisions. Neither the Union nor any Local Union or the NCCRC is responsible for such implementation or maintenance.

All safety equipment required by State or Federal regulations, including hard hats, shall be provided and maintained by the Individual Employer without cost to his employees. Upon termination, the employee shall return such equipment to the Individual Employer.

Section 20 Pre-Job Conferences

1. The Individual Employer shall at his option or at the option of the Union or the NCCRC call for a pre-job conference. If the Union or the NCCRC desires, it shall be entitled to a pre-job conference solely with the Individual Employer. The Individual Employer may include his subcontractors at such conference.
2. The Individual Employer shall advise the Union or the NCCRC in writing, at all times of the names (including trade names and names of individual proprietors or partners who signed the subcontract) and addresses of all subcontractors or his subcontractors employed or to be employed or contracted with for services to be performed under this Agreement. Such written notice shall be made at the pre-job conference or ten (10) days prior to the commencement of work by any such subcontractor.
3. The Individual Employer shall, upon request of the Union or the NCCRC, submit letters of past or present work assignment for purposes of clarifying questions of Union jurisdiction.

Section 21 Audit

Each Individual Employer upon request of the Union, the Employer, or any Trust Fund specified in this Agreement, shall permit the Trust Fund Auditors to review any and all records relevant to the enforcement of the provisions of this Agreement and to enter upon the premises of such Individual Employer during business hours at reasonable time or times to examine and copy such books, records, papers or reports of such Individual Employer as may be necessary to determine whether or not the Individual Employer is making full payment of all sums required by this Agreement. The decision as to the relevancy of records shall be made by the Joint Delinquency Subcommittee and their decision shall be binding on all parties. Such review shall be permitted not less than ten (10) working days after demand. If the Individual Employer cancels an audit

appointment without appropriate two (2) hours' notice to the auditor, the cost of such lost time by the auditor shall be borne by the Individual Employer.

The cost of audit shall be borne by the Individual Employer if a shortage disclosed by the audit exceeds \$4,500.00 and is not the result of clerical error.

Trustees of the Trust Funds specified in this Agreement are authorized to determine the appropriate formula to be applied to compute appropriate Trust Fund contributions. The Individual Employer shall be required to comply with such Trust Fund formula and make payments to the Trust Funds immediately upon being advised of the amount due.

Any legal action to compel audit entry shall be filed in the Superior Court of the City and County of San Francisco, State of California, or the United States District Court for the Northern District of California.

Any Individual Employer who refuses audit entry shall pay all the legal fees and costs necessary for compliance of audit entry.

The Union has the right to withhold workers from any Individual Employer who refuses to make available relevant records necessary for the completion of the audit.

Information derived from the audit shall be confidential and used solely for the enforcement of this Agreement.

Section 22 Work Day

The regular work day shall be eight (8) consecutive hours (exclusive of lunch period) between the hours of 6:00 a.m. and 5:00 p.m.

Once the regular work day is established, it shall be for no less than five (5) consecutive regular work days and may be changed only by written notification from the Individual Employer to the appropriate District Office of the NCCRC.

The rate of pay for all hours worked other than the regular established work day shall be governed by Section 26 (Overtime).

Any employee who works more than five (5) hours without a meal period shall be paid for all work in excess of said five (5) hour period at the applicable overtime rate until a meal period is provided (such pay shall be reckoned by the hour and half-hour).

Every Individual Employer shall authorize and permit all employees to take rest periods, which insofar as practicable, shall be in the middle of each work period. Nothing in this provision shall prevent an Individual Employer from staggering rest periods to avoid interruption in the flow of work and to maintain continuous operations, or from scheduling rest periods to coincide with breaks in the flow of work that occur in the course of the work day. The authorized rest period time shall be based on the total hours worked daily at the rate of ten (10) minutes net rest time for every four (4) hours worked, or major fraction thereof. Rest periods shall take place at Individual Employer designated areas, which may include or be limited to the employee's immediate work area.

Rest periods need not be authorized in limited circumstances when the disruption of continuous operations would jeopardize the product or process of the work. However, the Individual Employer shall make-up the missed rest period within the same work day or compensate the employee for the missed ten (10) minutes of rest time at his/her regular rate of pay within the same pay period.

A rest period need not be authorized for employees whose total daily work time is less than three and one-half (3 ½) hours. Authorized rest period time shall be counted as hours worked for which there shall be no deduction from wages.

It is understood that the employee will take his/her appropriate rest period unless the Individual Employer specifically directs the employee not to take this rest break due to operational requirements.

If an Individual Employer fails to provide an employee a rest period in accordance with the applicable provisions of this Section, the Individual Employer shall pay the employee one (1) hour of pay at the employee's regular rate of compensation (excluding fringe benefits) for each work day that the rest period was not provided.

The rest period provisions of this Agreement will be interpreted consistently with the rest period requirements of the Industrial Welfare Commission Wage Order 16.

A heat illness preventative cool-down recovery period of no less than five (5) minutes shall be made available for employees working in high heat conditions in order to prevent heat illness.

Employees believing a preventative cool-down recovery period is needed to avoid heat illness or suffering from heat illness shall be provided access to an area with shade that is either open to the air or provided with ventilation or cooling. Such access to shade shall be permitted at all times. Cooling

measures other than shade (e.g., use of misting machines) may be provided in lieu of shade if the Individual Employer can demonstrate that these measures are at least as effective as shade in allowing employees to cool.

Employees should not discount any discomfort or symptoms they are experiencing. They should immediately report any problems they are experiencing to a supervisor and coworker. Employees must notify their supervisors immediately if they believe they require access to shade, or alternative cooling measures and/or a preventative recovery period.

If an Individual Employer fails to provide an Employee a preventative recovery cool-down period in accordance with this Section, the Individual Employer shall pay the Employee one (1) additional hour of pay at the Employee's regular rate of compensation, excluding fringe benefits, for each work day that a requested preventative recovery period is not provided. No employee shall be discriminated against for exercising his/her rights pursuant to this Section.

All pay shall be reckoned by the day and half-day as follows: Employees who start work at the regular work day or shift shall receive four (4) hours pay or pay for actual hours worked, whichever is greater, regardless of the reason for the inability to complete the regular work day or shift. If the employee voluntarily quits, the employee shall receive pay only for actual hours worked.

Any dispute regarding the provisions of this Section shall be subject to Section 51 (Grievance Procedure) of this Agreement.

Section 23 Shift Work

Shift work can only be established upon prior notice from the Individual Employer to the Union and shall be performed as follows:

Except as provided below, where multiple shifts are worked, if the Individual Employer elects to work the day shift between the hours of 6:00 a.m. and 5:30 p.m., that shift shall work eight (8) hours and for such work they shall be paid the regular straight time rate for eight (8) hours; the second shift shall work seven and one-half (7 ½) hours, and for such work they shall be paid the regular straight time rate for eight (8) hours; if a third shift is worked, they shall work seven (7) hours and for such work they shall be paid eight (8) hours regular straight time pay. No multiple shift shall be established or started for less than three (3) consecutive work days.

On tenant improvement or renovation projects in occupied buildings with a total contract value of five (5) million dollars or less, the Individual Employer may

perform multiple shift operations on the basis of eight (8) hours pay for eight (8) hours work on all shifts at the regular straight time rate.

Overtime rates shall be paid for all hours worked on the second or third shift if less than three (3) consecutive days are worked. The provisions of this Section 23 with regard to rates of pay for shift work shall apply solely to the portion of the job which requires shift operations.

When it is a condition of securing the work, a special single shift may be established that will be for no less than three (3) consecutive days, for off hours between Monday and Friday, and will allow for eight (8) hours pay for eight (8) hours work. Work in excess of eight (8) hours per day shall be subject to the overtime provisions of this Agreement.

All work in excess of eight (8) hours on Saturday and all work on Sundays and holidays shall be double time.

Payments or contributions to each of the Trust Funds provided for in this Agreement shall be based on hours worked or paid for, which include contributions for eight (8) hours per shift. No payment or contribution shall be computed at the rate of time and one-half or double the required rate of payments or contributions per hour, nor shall any such payments or contributions be considered part of the hourly wage rate for the purpose of computing overtime, either under this Agreement, the Fair Labor Standards Act, the Walsh-Healey Act or any other law.

On shift work (a) workers working a shift who come off work on Saturday morning at 8:00 a.m. are to be considered working Friday; (b) workers working a shift who come off work on Sunday morning at 8:00 a.m. are to be considered working Saturday; and (c) workers working a shift who come off work on Monday morning at 8:00 a.m., are to be considered working Sunday.

All regularly scheduled shift work performed on Saturday, Sunday and holidays, shall be in accordance with the overtime rates herein specified. All such work shall be performed under the terms and conditions of this Section 23 as to hours worked and rate of pay.

Section 24 Work Week

The regular work week shall consist of forty (40) hours of work Monday through Friday. In the event that work cannot be performed Monday through Friday or Tuesday through Friday (4 x 10 work week) because of inclement weather or major mechanical breakdown, employees may voluntarily make-up such day on Saturday and shall be paid at the applicable straight time rate. In the event

that work cannot be performed Monday through Thursday (4 x 10 work week) because of inclement weather or major mechanical breakdown, employees may voluntarily make-up such day on Friday and shall be paid at the applicable straight time rate. As a courtesy, the Individual Employer shall advise the appropriate District Office of the NCCRC whenever it intends to implement the Saturday (or Friday for a 4 x 10 Monday through Thursday work week) make-up day. (The NCCRC District Office phone numbers are as follows: Central (510) 568-4788, Northern (916) 641-1041, and Southern (408) 445-3000).

Four (4) by Ten (10) Work Week (4 x 10): An Individual Employer may establish a work week of four (4) consecutive days of ten (10) consecutive hours, Monday through Thursday or Tuesday through Friday, provided the appropriate District Office of the NCCRC is notified in advance. Applicable overtime rate shall be paid for all work before a shift begins, after ten (10) hours, and on Saturdays, Sundays and holidays. After twelve (12) hours, double time shall be paid. In the event two (2) shifts are employed nine and one-half (9 ½) consecutive hours work, (on the 2nd shift) exclusive of meal period, shall constitute a shift's work for which ten (10) hours shall be paid. Provided, further, all shifts are worked the same four (4) consecutive days during a 4 x 10 work week, except as may be changed by mutual agreement. All hours in excess of forty (40) hours in any one (1) week shall be compensated at the applicable overtime rates.

On Residential projects as described in Appendix C (Residential Addendum), the work week shall remain as contained therein.

Section 25 Holidays

The following are nationally recognized holidays covered by this Agreement: New Year's Day, Martin Luther King, Jr. Day, Presidents' Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, the Friday following Thanksgiving Day, and Christmas Day. If any of the above holidays fall on Saturday, the preceding Friday shall be observed as the holiday. If any of the above holidays fall on Sunday, the Monday following shall be observed as the holiday.

In honor of those who have served in the Armed Forces of the United States of America, honorably discharged, reserve and active duty members of our Armed Forces shall be permitted by the Individual Employer to observe Veterans Day, November 11th. Veterans shall provide the Individual Employer with two (2) working days' notice to observe Veterans Day. Upon request of the Individual Employer, members shall provide proof of military service. Veteran choosing to work on Veterans Day shall be compensated at the appropriate straight time and daily overtime rates.

- A. On all building construction, the first two (2) hours prior to the start of the regular or approved day or the first four (4) hours after the end of the approved or regular work day, not to exceed a total of four (4) hours in any one (1) work day shall be paid at time and one-half (1 ½).

Time and one-half (1 ½) shall be paid for the first eight (8) hours worked on Saturdays.

Time and one-half (1 ½) shall be paid for the first eight (8) hours worked on the four (4) designated off/collectively bargained holidays.

Double time shall be paid on all other holidays referenced in Section 25 (Holidays).

All other time shall be paid at double the straight time rate.

- B. On all heavy, highway and engineering construction, including but not limited to the construction, improvement, modification, and demolition of all or any part of streets, highways, bridges, viaducts, railroads, tunnels, airports, water supply, irrigation, flood control and drainage systems, sewers and sanitation projects, dams, power houses, refineries, aqueducts, canals, river and harbor projects, wharves, docks, breakwaters, jetties, quarrying of breakwater or riprap stone, or operations incidental to such heavy construction work; the first four (4) hours prior to the start of the regular or approved day or the first four (4) hours after the end of the approved or regular work day, not to exceed a total of four (4) hours in any one (1) work day shall be paid at time and one-half (1 ½).

Double time shall be paid on all other holidays referenced in Section 25 (Holidays).

All other time shall be paid at double the straight time rate.

Section 27 Parking

In the event free parking facilities are not available within 1320 feet (measured by the most direct route on a dedicated vehicular public thoroughfare) of a jobsite, the Individual Employer will provide such facilities and the Individual Employer shall have the right to designate parking areas to be used. Where, because of congested parking conditions, it is necessary to use public facilities, the Individual Employer shall reimburse the employee for the cost of such parking upon being presented with a receipt or voucher certifying the cost thereof, such reimbursement to be made on a weekly basis or at the conclusion of the project, whichever occurs earlier. Designated parking area shall be drained and hard surface.

Section 28 Tools

Carpenters and apprentices shall furnish their own tools, but shall not furnish, rent or lease horses, ladders, mitre boxes, electric drills, automotive equipment to be used for the purpose of hauling or delivering Individual Employer's materials or equipment, or any kind of power operated machines or saws. Each employee shall arrive on the job with tools in proper condition. To implement this section, the individual carpenter shall provide a tool box with a lock. If necessary, the employee shall be allowed a reasonable amount of time during the work week to sharpen tools on the Individual Employer's time.

The Individual Employer shall provide a reasonably secure place where his employees may keep their tools. Where ten (10) or more carpenters are employed on any one (1) job or project the Individual Employer shall provide a separate tool house, or a separate compartment of a tool house under lock and key, for the exclusive use of carpenters. Failure on the part of the Individual Employer to comply with the provisions hereof shall be referred to the Joint Adjustment Board. If any individual employee's full kit of working tools is lost by reason of fire or theft while in the Individual Employer's care, the Individual Employer shall reimburse the employee for such loss up to a maximum of seven hundred and fifty dollars (\$750.00). Within two (2) working days from the date of claim for loss of tools as provided herein, the Individual Employer shall acknowledge liability therefore or reject the claim.

Section 29 Pick-Up Time

A carpenter shall be entitled to pick-up time, which shall not be less than five (5) or more than fifteen (15) minutes at the end of each work day, the particular amount of such pick-up time depending upon accessibility to the area to which the employee is assigned. The amount of pick-up time shall be determined by

mutual agreement at a job site conference between representatives of the Individual Employer and the Union.

Section 30 Show Up Time, Termination Pay and Discharge

Other than on the first day of dispatch, in which case two (2) hours shall apply, workers who report for work, for whom no employment is provided, shall be entitled to four (4) hours pay, except where bad weather conditions beyond the control of the Individual Employer prevents employment.

Payments of contributions to each of the Trust Funds provided for in this Agreement shall be made with respect to payments required by this Section 30.

Except as hereinafter provided, carpenters who start work, but are discharged between the hours of 8:00 a.m. and 12:00 noon, shall receive four (4) hours pay; carpenters starting work at 8:00 a.m. who are discharged between the hours of 12:00 noon and 4:30 p.m. shall receive pay only for hours worked.

Carpenters discharged on the first day of employment for inefficiency, insubordination or intoxication, shall receive pay only for hours worked. Carpenters who voluntarily quit shall receive pay only for hours worked.

DISCHARGED EMPLOYEE. Employees receiving notice of termination for any reason shall be allowed a reasonable time (not less than fifteen (15) minutes) before the end of the regular work day to assemble their tools in addition to the normal pick-up time prevailing on the job.

After forty (40) hours of employment, the Individual Employer may discharge any employee for just cause only. Just cause is subject to Section 51, the grievance and arbitration provision of this Agreement. The Individual Employer during the first forty (40) hours of employment may reject or discharge any employee for any reason.

Discharge for cause shall be in writing to the employee.

Section 31 Payment of Wages

An employee who works the full designated work week shall receive on the last day of that work week pay for not less than the number of hours worked on the Monday of that same work week.

Each Individual Employer shall provide with each payroll check an itemized check stub showing separately the date of issuance, each contribution and

deduction made from the payroll period covered by the check or a separate statement showing the name of the employee, the name and the Individual Employer's contractor's license number and/or address and the last four digits of the employee's Social Security number. There shall be no cash payment of any nature or kind whatsoever. Payment by cash or second or multiple checks or combination thereof and the payment of excessive premium rates, excessive travel time or bonuses shall be prima facie evidence of an attempt to violate the provisions of this Section 31. An Individual Employer may pay employees utilizing direct deposit, as provided under California Law. Payment by direct deposit shall be at the employee's option and not as a condition of employment. Late deposits shall be subject to Section 31, paragraph 3. Final compensation shall be paid by payroll debit card or check.

Should an Individual Employer compensate an employee with a check for which payment is refused by the Individual Employer's bank because of insufficient funds, or should an Individual Employer fail to pay his employees on the regular established pay day for his job, the obligation of the Individual Employer to the individual employee shall continue at the employee's regular straight time rate for a period not to exceed forty (40) hours, notwithstanding the above, unless the refusal of payment by the bank is due to the bank's error or omission or to circumstances which are beyond the control of the Individual Employer. Any question concerning responsibility of the Individual Employer on whether the omission is beyond his control shall be subject to the grievance procedure of this Agreement. Nothing herein shall, however, prevent the Individual Employer from changing his payroll date upon five (5) days' notice to the appropriate Local Union of the Union that the employee's pay date is being changed.

If terminated by the Individual Employer for any reason the employee shall be paid immediately in full. His/her pay status shall continue for each calendar day until pay is received; provided, however, that not more than eight (8) hours pay shall be charged for any calendar day with a maximum of five (5) days.

Section 32 Prohibition of Piece Work

No person shall be employed in work covered by this Agreement at piece rates or under any system of bonus pay. Payments by cash or second or multiple checks or combination thereof and/or the payment of excessive travel time, bonuses or other payments such as "Travel Pay" or "Subsistence," where not required or permitted by this Agreement, shall be prima facie evidence of a violation of this Agreement.

If at the time of an audit piece work or bonus payments are discovered, those amounts will be subject to the conversion formula as set forth in Section 21 (Audit). The foregoing shall not apply to an annual bonus paid to supervisors.

Section 33 Nonunion Fabricated Materials

To the extent permitted by law, the Individual Employer will not require Carpenters to handle nonunion fabricated materials.

Section 34 Injury

Employees who are, as a result of an industrial injury, unable to complete a full day's work, shall nevertheless be paid for the full day on which such injury occurred; provided the attending physician has certified to the employee's inability to complete his/her regular assigned work on that day of such injury. An industrial injury shall not be cause for discharge and an applicant for employment shall not be rejected because of prior industrial injury, provided that any such prior industrial injury has not caused the applicant to be incapable of satisfactorily performing the duties and functions required by the job to which he/she is assigned or would be assigned.

Section 35 Document Signing

No employee or applicant for employment will be required as a condition of employment or continued employment to sign any document not required by law.

Section 36 Subcontractor Records

On residential construction, excluding alteration and repair, the Individual Employer shall keep a record of all hours worked by persons performing work covered by this Agreement for each subcontractor on each separate job or project.

It is recognized and acknowledged that with respect to certain subcontracted functions such as installation of stairways, formica tops, and marlite, it would be difficult and impractical to record the precise hours worked at such functions. On such work the Individual Employer shall make an estimate of the hours worked by the installing subcontractor. These records shall be submitted monthly to the Trust Funds specified in this Agreement.

Section 37 Bonding

The Union may require of any Individual Employer who is delinquent in Trust Fund contributions and/or whose payroll checks have been returned for insufficient funds (“bounced”), that such Individual Employer be required to provide a bond not less than \$5,000.00 or more than \$75,000.00 at the option of the Union or Trust Fund to insure payment of his payroll and/or Trust Fund contributions. An acceptable letter from responsible party or joint checks may be substituted for Bond requirement. It shall not be a violation of this Agreement for the Union to withdraw carpenters from the job(s) of such Individual Employer who may upon demand and notice, fail or refuse to present such bond to the Carpenter Funds Administrative Office, 265 Hegenberger Road, Suite 100, Oakland, California 94621-1480. In the event the defaulting Individual Employer is a subcontractor of a prime contractor signatory hereto, the latter will be notified and given opportunity to post bond as herein provided prior to the withdrawal of carpenters from the job(s); provided, however, the bonding company is approved by the Carpenter Funds Administrative Office for Northern California, Inc.

2. If an employee already employed on the job is assigned to perform Power Saw Operating duties or Steel Scaffold and/or Steel Shoring Erecting duties, he/she shall receive the rate of the Power Saw Operator classification or the Steel Scaffold Erector and/or Steel Shoring Erector's classification, as the case may be, for the actual hours worked in such classifications.
3. The operation of a hand-operated skill saw shall not be considered as the performance of Power Saw Operating duties and shall not carry the rate for the Power Saw Operator classification.

Men working from Bos'n chairs, swinging scaffolds, or suspended from a rope, cable, or from a safety belt or any device used as a substitute for or in lieu thereof shall receive fifty cents (\$.50) per hour above the applicable journeyman or apprentice rate.

The premium specified above shall be reckoned by the hour.

When an employee uses survey instruments he/she shall receive not less than the rate of pay for his/her regular classifications.

Provisions concerning special conditions for Millwrights are set forth in Appendix B (Millwrights Agreement) of this Agreement and are a part thereof.

The term "Journeyman Carpenter" as used herein means an employee who is qualified by experience and ability to perform work with carpenters' tools, carpenters' level and other such tools or survey instruments as are normally used by carpenters in the performance of carpenters' work.

The foregoing shall be applicable to all work in connection with the building and erection of timber trusses. The framing, assembling and building of the trusses, the raising and putting them in place and the rigging and signaling when power equipment is used are all under the jurisdiction of the United Brotherhood of Carpenters.

The term "Apprentice Carpenter" as used herein means an employee as defined from time to time as an apprentice in the Apprenticeship Standards for the Carpentry Trade in the 46 Counties, who shall be permitted to perform any work done by a journeyman carpenter. The term of apprenticeship shall not exceed a period of four (4) years. It

shall be a contractual obligation of contractors party to this Agreement, to re-employ apprentices laid off due to lack of work before employing new apprentices.

An Individual Employer shall employ apprentices only in accordance with the provisions of this Agreement and the applicable rules and regulations of the Carpenters Training Committee and the Apprenticeship Standards.

An Individual Employer who is entitled to employ apprentices may employ not more than one (1) apprentice for the first two (2) journeymen regularly employed by him and not more than one (1) additional apprentice for each three (3) additional journeymen employed by him. The first apprentice may not be employed until at least two (2) journeymen are regularly employed by the Individual Employer. Any Individual Employer employing five (5) journeymen shall, while employing five (5) journeymen, also employ at least one (1) apprentice. For each additional five (5) journeymen then in his employ, he shall employ at least one (1) additional apprentice.

FOREMAN: Effective July 1, 2000, if the Individual Employer determines to use any foremen, they shall be paid ten percent (10%) above the appropriate journeyman's wage rate. The Individual Employer shall have the right to determine, in his sole and unlimited discretion, the need for any number of foremen. There shall be a minimum of one (1) foreman for each permanent shop maintained by specialty contractors and/or prime contractors hiring more than three (3) journeymen carpenters.

GENERAL FOREMAN: The rate for general foremen shall be twenty percent (20%) above the straight time rate for foreman. Whether an employee shall be designated general foreman, the person who shall be so designated and the specific assignment for such person shall be within the sole and exclusive judgment of the Individual Employer and such determination to appoint a general foreman, or not to do so, shall not be subject to the Grievance Procedure (Section 51) of this Agreement.

No person shall be employed in work covered by this Agreement at piece rates or under any system of bonus pay. Excessive amounts paid as hourly wages or under the guise of "travel pay" or "subsistence", where not required or permitted by this Agreement, shall be prima facie evidence of a violation of this Agreement. The foregoing shall not apply to an annual bonus paid to supervisors.

Section 40 Health and Welfare

Each Individual Employer covered by this Agreement shall contribute to the Carpenters Health and Welfare Trust Fund for Northern California, the amount listed in Section 39 (Wage Rates) for each hour paid for or worked, whichever is greater, by each employee covered by this Agreement for the purpose of providing Health and Welfare benefits for such employees.

Such contributing Individual Employer agrees to be bound by that certain Trust Agreement establishing the Fund dated March 4, 1953, as such has been or may from time to time be amended or supplemented.

There shall be no duplicating contribution with respect to any employee or the work of any employee.

Individual Employer contributions for a foreman and general foreman covered by this Agreement shall be based upon the hourly contribution rate in effect for journeymen in the particular jurisdiction where they are employed. For purposes of interpreting and applying this Section such Trust Fund contributions shall not be considered as compensation.

The total number of hours worked by each employee in each month, for which contributions are made to this Trust Fund, shall be reported by the Individual Employer to this Trust Fund.

Section 41 Pension Plan

Each Individual Employer covered by this Agreement shall contribute to the Carpenters Pension Trust Fund for Northern California the amount listed in Section 39 (Wage Rates) for each hour paid for or worked, whichever is greater, by each employee covered by this Agreement, for the purpose of providing Pension benefits for such employees. - A. The Union and the Employer agree that when an employee is working in a supervisory position above the rank of foreman or general foreman (where it appears in this Agreement), the Individual Employer may, on a case by case determination, make payments with respect to the employee's work into the Carpenters Health and Welfare Trust Fund for California on the basis of 145 hours per month regardless of the number of hours worked by any such employee in a month. If Health and Welfare payments are so remitted by the Individual Employer then payments shall also be required into the Carpenters Pension Trust Fund for Northern California on the basis of either a minimum of 145 hours per month regardless of the number of hours worked by any such employee in a month, or on the basis of actual hours worked if greater than 145, but not less than 145 hours per month in accordance with the schedules set forth in the Master Agreement; provided, however, the Individual Employer having made one (1) such payment on an employee shall continue to make such payments so long as the employee is in his employ. In the event that such employee remains affiliated with the Individual Employer in any capacity and the Individual Employer ceases to report or pay in full for Health and Welfare and Pension for the individual, the individual's Health and Welfare eligibility and any accrued hour bank shall immediately be forfeited. Furthermore, the parties agree that if in a given work month any delinquent contributions are due on behalf of any individual reported by the Individual Employer, or for whom contributions are required to be made, no hours for employees working in a supervisory position above the rank of Foreman or General Foreman shall be credited towards Health and Welfare and/or Pension benefits provided in this Agreement until the delinquency for that work month is resolved. Additionally, no eligibility for such supervisory employees shall be granted from an hour bank while an unresolved delinquency exists.

- B. The Union and the Employer agree that the Individual Employers covered by this Master Agreement may make payments into the Carpenters Health and Welfare Trust Fund for Northern California, and the Carpenters Pension Trust Fund for Northern California in the same manner as provided in Section 46 A on behalf of owners or partners provided that such individual is performing work within the 46 Northern California Counties area and that, if not an owner or partner would be working as a covered employee under the terms of this Master Agreement and provided further that the Individual Employer, having made one (1) payment with respect to the work of such an individual, shall continue to make such payments monthly so long as the individual remains affiliated in any active capacity with the Individual Employer within the 46 Northern California Counties area. In the event that an owner or prior owner, partner or prior partner remains affiliated with the Employer in any capacity and the Individual Employer ceases to report Health and Welfare and Pension for that individual, the individual's Health and Welfare eligibility and accrued hour bank shall immediately be forfeited. Furthermore, the parties agree that if any delinquent contributions for any work month are due on behalf of any individual reported by the Employer, or any individual for whom contributions are required to be made, no hours for owners or partners shall be credited towards any of the benefits provided in this Agreement until the delinquency is resolved. Additionally, no eligibility for such owner or partner shall be granted from an hour bank while an unresolved delinquency exists. Such individual shall be deemed an employee covered by this Agreement solely for the purpose of participating in said Trust Funds and shall have no other rights or privileges under this Agreement as an employee.
- C. The Union and the Employer agree that when an owner or partner, or an Employee who is working in a supervisory position above the rank of Foreman or General Foreman (where it appears in the Agreement), who is appropriately reported and for whom Health and Welfare and Pension contributions are made in accordance with Section 46 A or Section 46 B, the Individual Employer may also make payments with respect to the owner, partner or supervisory employee's work into the Carpenters Annuity Trust Fund for Northern California established by this Agreement and/or post tax deductions from wages to the Carpenters Vacation, Holiday and Sick Leave Trust Fund for Northern California established by this Agreement on the basis of either actual hours worked, or on the basis of 145 hours per month regardless of the number of hours actually worked, in accordance with the schedules set forth in the Agreement; provided, however, the Individual Employer having made one (1) payment on any such individual shall continue to make

such payments so long as the individual remains affiliated with the Individual Employer in an active capacity. The parties further agree that if any delinquent contributions are due on behalf of any individual reported by the Individual Employer, or for whom contributions are required to be made, no hours for individuals reported under this Section (46 C) shall be credited towards either Annuity or Vacation and Holiday benefits provided in the Agreement until the delinquency for that work month is resolved.

- D. The Union and the Employer agree that no hours reported under Section 46 shall be used to qualify for any disability benefit, credit, or extension provided by any of the Carpenter benefit funds established by this Agreement.
- E. The Union and the Employer agree that if an Individual Employer previously reported an owner, partner, or supervisory employee per Section 46 and then ceases reporting on behalf of any such individual that owner, partner, supervisory employee's hour bank will be cancelled, and the Individual Employer shall not be allowed to report said individual again. However, the Individual Employer may reinstate an individual by either retroactively contributing required contributions for twelve months from the current month, or if the failure to report lasted for a period less than twelve months, retroactively paying required contributions to fill in any gap between the current month and the last month for which hours were reported on behalf of the individual. If after one such gap is repaired, the Individual Employer again fails to report and remit required payments in accordance with Section 46, no additional repairs shall be allowed unless specifically approved by the Board of Trustees of the Health and Welfare and Pension Funds.
- F. The Union and Employer agree that in the event that an Individual Employer either reports, or attempts to report, and/or contribute on behalf of any individual not specifically covered by this Agreement, all contributions so remitted shall be forfeited and any benefit eligibility accrued to such an individual shall immediately be terminated. Furthermore, if any benefits created by this Agreement are paid to, or on behalf of such individual, by any of the Benefit Funds created by this Agreement, the Individual Employer shall be required to reimburse the Benefit Funds for such payments. Additionally, if such ineligible individual is so reported, the Individual Employer shall forfeit access to Section 46 of this Agreement for all owners, partners, and supervisory employees.

Section 47 Basis for Contributions

Payment of contributions for benefits as provided in Sections 40, 41, 42, 42-A, 43, 43-A, 44, 45, 45-A and 45-B shall be based upon all hours for which an employee has received payment; provided, however, that contributions shall not become compounded by overtime and all overtime hours for purposes of fringe benefit contributions shall be considered straight time hours.

In order to provide for benefits to employees without disruption during periods of contract negotiations and to assure an orderly means of collecting Trust Fund contributions during such periods, each signatory Individual Employer agrees that he or it shall be obligated to contribute to each and every Trust Fund referred to in this Agreement for any period following their termination date of this Agreement unless and until a lawful impasse occurs or until a successor Agreement is negotiated. Each signatory Individual Employer further agrees that any or all of said Trust Funds may enforce this obligation by action to collect such delinquent contributions filed in any court of competent jurisdiction.

Section 48 Subsistence

- (a) Workers specifically requested by name who have been laid off or terminated as journeymen carpenters in the geographic area of the Local Union or the NCCRC, as the case may be, within three (3) years before such request by a requesting Individual Employer or a joint venture of which one or more members is a former employer now desiring to re-employ the same workers, provided they have maintained continuous union membership during the period since previous employment with the requesting employer and are available for employment. This provision shall also apply to Individual Employers wishing to rehire employees of a joint venture of which the Individual Employer was a member.

There shall be no restriction on the mobility of workers of the Individual Employers in the 46 Northern California Counties.

- (b) Effective January 1, 2008, for those classifications for which the Carpenters Training Committee offers journeymen certifications, such workers whose names are entered on said lists, who are certified and who are available for employment.

If workers are so employed, the Individual Employer shall promptly report to the

appropriate Local Union, having work and area jurisdiction, each such worker by name. In emergency cases workers may be dispatched other than at such dispatching times.

6. Subject to the foregoing, the Individual Employer shall have complete freedom of selectivity in hiring and the Individual Employer retains the right to reject any job applicant referred by the Union for any reason. The Individual Employer may discharge any employee for just cause as defined in Section 30 (Show Up Time, Termination Pay and Discharge); provided, there shall be no discrimination on the part of the Individual Employer against any employee for activities on behalf of or representation of the Union not interfering with the proper performance of his duties.
7. It is agreed that, notwithstanding the provisions of this section, the first Foreman and up to twenty-five percent (25%) of the employees employed to perform work covered by this Agreement on any project may be employees designated by the Individual Employer.

Further, an additional twenty-five percent (25%) of the employees employed to perform work covered by this Agreement on any project may be selected by the Individual Employer from workers who are registered on the out-of-work list and who are members of the Local Union having jurisdiction over the job or project at any location in the 46 Northern California Counties and/or are workers who are qualified or meet the requirements of any mandated local hiring ordinance.

It is further agreed that, notwithstanding the provisions of this subsection, up to fifty percent (50%) of the employees employed to perform work covered by this Agreement on any residential project may be employees designated by the Individual Employer.

9. Dispatching hours shall be as determined by the NCCRC Hiring Hall Policy.
10. Each individual, upon being referred, shall receive a referral slip to be transmitted to the Individual Employer representative at the jobsite, indicating his/her name, address, the last four digits of the Social Security number, type of job, date of proposed employment and date of referral. If requested by the Individual Employer, the referral slip shall be transmitted via facsimile to the Individual Employer representative at the jobsite.
11. To ensure the maintenance of a current registration list, all individuals who do not re-register within two (2) weeks of their previous registration shall be removed from the registration list. If such individuals re-register pursuant to the provisions of this section they shall maintain their previous position on such list.
12. Individuals shall be eliminated from the registration list for the following reasons:

13. The Local Union shall place at the end of the journeyman registration list any person on the list who demonstrates a lack of journeyman skills, qualifications, or work ethic. A person's lack of skills, qualifications, or work ethic shall be based on the following: at least three (3) different Individual Employers have documented in writing within a nine (9) month period the person's lack of skills, qualifications or work ethic.

A person placed at the end of the registration list shall be referred to the Carpenters Training Committee for testing and evaluation. If the Training Committee determines that the person has the skills and qualifications of a journeyman carpenter, such person shall be reinstated to his/her place on the registration list. If the Training Committee determines that the person does not have the required skills and qualifications of a journeyman, the Training Committee shall prescribe a course of training and the person shall remain where they were placed on the registration list.

Once a person receives three (3) letters, the person shall not be able to select any classification on the list for which he/she has received a letter, until he/she is evaluated by the Training Committee. Written notification shall be presented to the journeyman at the time of termination and a copy shall be sent to the Union.

After evaluation, the person shall not be able to select any classification on the list for which he/she has been determined to lack the required skills and qualifications until he/she successfully completes the course of training prescribed by the Training Committee.

Any person, including an Individual Employer aggrieved by the operation of the hiring hall provisions of this section, has the right to submit his/her grievance to permanent hiring hall neutral Arbitrator who shall be Mark Divelbiss, or his successor, provided such submission is made in writing, stating the reasons for the grievance, within ten (10) work days after occurrence of the grievance. Forms for the submission of any such grievance shall be available at all times in the office of each Local Union or the NCCRC. Notices required by this subsection shall be mailed or delivered to Mark Divelbiss, 5938 Rincon Drive, CA 94611. The subcontractor shall be properly licensed as required by the California State Contractors License Law.
5. The Individual Employer will give written notice to the NCCRC and/or Millwrights Local 102, (see Appendix B, Section 15) as the case may be, of any subcontract involving the performance of work covered by this Agreement within five (5) days of entering such subcontract and/or prior to commencement of work by the subcontractor, unless such notice is prevented by emergency conditions, and shall specify the name and address of the subcontractor.
 - (a) If thereafter the subcontractor becomes delinquent in the payment of any wages, Trust Fund contributions, or fringe benefit payments, then the NCCRC, Local Union or the Trust Fund office shall give prompt notice of the delinquency, confirmed in writing, to the Individual Employer and to the subcontractor. The notice shall specify the name and amounts, if known, of the delinquency.
 - (b) Said notification by the NCCRC, Local Union or the Trust Fund office shall be provided within twenty (20) days of publication of the Delinquency list provided by the Trust Funds or if in the case of failure to pay wages five (5) days from the applicable pay day. If such notice is given, the Individual Employer shall pay and

satisfy only the amount of any such delinquency by such subcontractor occurring within ninety (90) days prior to the receipt of said notice from the Union, and said Individual Employer may withhold the amount claimed to be delinquent out of the sums due and owing by the Individual Employer to such subcontractor.

- (c) Notwithstanding the provision set forth above, if the subcontractor is found in violation of the hiring provisions of this Agreement, pursuant to the provision of Section 51 (Grievance Procedure), and the Union is unable to collect from the subcontractor the damages determined to be owing for such violation, the Individual Employer shall then be liable for the payment of such damages. The total of this liability, as it would apply to the Individual Employer, shall be no more than five (5) days' violation or the total of the subcontractor's retention being held by the Individual Employer, whichever amount is greater.
6. If the Individual Employer fails to give written notice as required in this Section 50, he shall, until notice is received, assume liability for any violation of the terms and conditions of this Agreement at that particular jobsite or job yard, as may be determined by Section 51 (Grievance Procedure). If the subcontractor is signatory or otherwise bound to an Agreement with the Union, the Individual Employer shall be liable only for delinquencies as set forth in subsection 5a of this Section 50 for work on that jobsite or job yard. If the subcontractor is not in compliance with this Agreement, then the Individual Employer shall be liable for any violation of this Agreement on that jobsite or job yard.
7. If the Union or the NCCRC thereof should make demand in writing for exercise of this Section, the Individual Employer will require that any subcontractor of the Individual Employer specified in the demand will, if he has not already done so, post a surety bond in an amount not to exceed \$75,000.00 to cover payments of wages, Trust Fund contributions and fringe benefit payments specified in this Agreement. Failure of the Individual Employer to comply with this Section within two (2) days of demand will make the Individual Employer liable for the delinquencies of the subcontractor occurring on the Individual Employer's specific job. (The amount of the bonds specified in this subsection in no way affects the amount specified for bonding purposes elsewhere in this Agreement).
8. Notwithstanding any other provision of this Agreement or this Section 50, on any residential construction, all work covered by this Agreement shall be performed by the Individual Employer or prime carpentry

contractor, and no such work shall be subcontracted to any other contractor except the installation of foundations, overhead garage doors, plastic sink tops, hardwood floors, roof and exterior wall shingles, traditional normal drywall, patio glass sliding doors, stairs, underlayment, base, acoustical ceilings, steel scaffolding, lathing and insulation. The Individual Employer or prime carpentry contractor shall provide all materials and the Individual Employer or prime carpentry contractor shall employ all employees covered by this Agreement who shall be shown on its payroll records except as provided herein. The remedies for default provided in this Section 50 shall apply directly to the Individual Employer or prime carpentry contractor. The Individual Employer or prime carpentry contractor shall be responsible for and shall directly employ employees covered by this Agreement to perform all work in connection with the construction of all walls and roof framing, installation of all sub-flooring, all exterior sheathing, installation of all metal or wood sash, doors, installation of all trim, installation of all types of cabinets, wardrobes and sliding doors.

9. The Individual Employer has the primary obligation for performance of all conditions of this Agreement. This obligation cannot be relieved, evaded or diminished by subcontracting. Should the Individual Employer elect to subcontract, the Individual Employer shall continue to have such primary obligation. Said primary obligation shall be deemed conclusive evidence of the Union's majority status for the purpose of establishing the obligation of the Individual Employer to bargain collectively pursuant to Section 8(A)(5) of the National Labor Relations Act as amended with the Union upon expiration of this Agreement but for no other statute, rule, regulations, or law.
10. The provisions of this Section may be enforced only through the grievance and arbitration provisions of this Agreement.
11. It is the intent of the parties to enforce the provisions of this Section only to the extent permitted by law.
12. Notwithstanding any provisions of this Agreement or any Memorandum Agreement to the contrary, the provisions of this Section shall not be enforced by strike action or any other form of job shutdown or work interference; provided, however, that the rights provided in Section 51 (Grievance Procedure) of this Agreement are retained to enforce primary obligations of any Individual Employer.
13. Payment by cash or second or multiple checks or combination thereof and the payment of excessive premium rates, excessive travel time, or

bonuses shall be prima facie evidence of an attempt to violate the provisions of this Section. The foregoing shall not apply to an annual bonus paid to supervisors.

14. No subcontract shall be in compliance with this Section if the effect of such subcontract is to diminish, eliminate or circumvent the payment of wages and fringe benefits to employees covered by this Agreement.

Section 51 Grievance Procedure

Any dispute concerning any application or interpretations of this Agreement shall be subject to the following procedure.

1. In the event that a dispute arises on a job, it shall be first reported to the Individual Employer and/or the Field Representative of the appropriate Local Union or the NCCRC who shall then attempt to adjust said grievance or dispute at the jobsite level.
2. The grieving parties shall specify the date(s) of the alleged violation(s) and the provision(s) of the Agreement applicable to the dispute.
3. If said grievance or dispute is not satisfactorily adjusted by the appropriate Local Union or the NCCRC or otherwise authorized Union Representative and the Individual Employer or his representative within three (3) days after submission to the Individual Employer, the matter may be submitted by either party to a permanent Board of Adjustment created for the settlement of such disputes.
4. The Board of Adjustment shall be composed of one (1) member named by the Union, one (1) member named by the Association and an Impartial Arbitrator. The parties shall select an alternate to the permanent neutral Arbitrator who shall serve only in the event the permanent neutral Arbitrator is unable to serve. At any point in the proceedings should the panel be unable to reach a majority vote the Arbitrator shall participate and his decision shall be final and binding.
5. In addition to any rule or procedure which the panel may adopt, the Board of Adjustment shall be governed by the following provisions:
 - (a) No briefs shall be submitted, nor a transcript made of the hearing except by mutual agreement of the parties or by direction of the Arbitrator. Any transcript ordered by any party shall be at the expense of the party ordering the transcript.

- (b) In the case of deadlock, the Arbitrator shall render his decision upon the conclusion of the case at the Board of Adjustment hearing, unless the time is extended by mutual agreement of the parties or at the request of the Arbitrator. The Arbitrator shall not render an expanded opinion in any case unless requested by the parties.
 - (c) The parties shall select and utilize a permanent Impartial Arbitrator who is willing to abide by the procedures set forth herein. By agreement of both parties, the Impartial Arbitrator may be changed or replaced.
 - (d) The Board of Adjustment or the Arbitrator may fashion an appropriate remedy to resolve the issue including, but not limited to, back pay, money damages, injunctive relief, audit, payment of wages and fringe benefits to persons damaged by the contract violations, interest or attorneys' fees.
 - (e) Any grievance involving an Individual Employer not a member of any of the signatory associations shall be submitted directly to the Arbitrator unless the Individual Employer agrees to submit the matter to the Board of Adjustment.
- 6. Disputes arising out of work assignment, which are governed by Section 16 (Jurisdictional Disputes), will not be heard at these panels.
 - 7. The Board of Adjustment shall meet within forty-five (45) days on any item properly before the Board. Failure of either party to meet or to participate shall cause the Board or Arbitrator to hear and decide the matter on a default basis.
 - 8. Decisions of the Board of Adjustment or an Impartial Arbitrator shall be within the scope and terms of this Agreement and shall be final and binding upon all parties hereto.
 - 9. In the event an Individual Employer fails to comply with any such decisions, the Union may withdraw employees or strike the Individual Employer, and such action shall not be a violation of this Agreement so long as such noncompliance continues, provided, however, that the Union may not enforce the provisions of Section 50 (Subcontracting) by economic action or picketing.

10. The expenses of the Joint Adjustment Board and the Impartial Arbitrator, including the cost of a court reporter, shall be borne equally by the parties hereto.
11. No proceeding hereunder based on any dispute, complaint or grievance herein provided for, shall be recognized unless the grievance procedure steps outlined above have been followed. The Arbitrator or Board may for good cause, accept a late submission, which shall then be decided by the Board of Adjustment.
12. The Board of Adjustment shall establish regular meeting dates and administer grievances filed in conjunction with this section as set forth in the rules and procedures, which may be amended from time to time by the parties.
13. A decision of the Board of Adjustment by majority vote, or the decision of a permanent Arbitrator shall be enforceable by a petition to confirm an arbitration award filed in the Superior Court of the City and County of San Francisco, State of California, or the United States District Court for the Northern District of California. Any party who fails or refuses to comply with a decision of a Board of Adjustment or an award of the Arbitrator, as the case may be, shall be responsible for reasonable attorneys' fees for the filing and trial of any petition to confirm and enforce said decision or award in addition to all other remedies available through law, unless the petition is denied.
14. All hearings of the Board of Adjustment shall be in the City and County of San Francisco, and/or County of Alameda, unless mutually agreed to move to another location.
15. Other than matters concerning discharge, no proceedings mentioned hereinabove on any dispute, complaint or grievance shall be recognized unless called to the attention of the Employer and the Union within thirty (30) days after the last date the alleged violation was committed.
16. On all cases relating to discharge or discipline, employees must file their grievances with the Local Union or the NCCRC within three (3) working days after the imposition of the discharge or discipline. Thereafter, the Local Union or the NCCRC must file its grievance with the Board of Adjustment within four (4) working days after the employee files his/her grievance. The Board shall meet within seven (7) working days following submission of the grievance. The Board of Adjustment or Arbitrator shall be free to sustain the discharge or to find discipline other than discharge to be appropriate and may order reinstatement with full or partial back

pay as he or it deems appropriate provided there shall be no discrimination on the part of the Individual Employer against any employee for activities on behalf of, or representation of the Union not interfering with the proper performance of his/her duties.

17. If failure of a Board of Adjustment to meet within one week (7 working days) is due to the unavailability of the Union, the wage payment and Trust Fund contribution liability shall be limited to the above seven (7) working days. If the Employer or Individual Employer, or Arbitrator is unavailable to meet, the wage payment and Trust Fund contribution liability shall be continuing.
18. The parties to this agreement recognize Industrial Wage Order 16-2001 covering "On Site Construction, Mining, Drilling and Logging Industries." Any dispute or grievance arising from the Wage Order shall be processed under and in accordance with Section 51 (Grievance Procedure).

In addition to claims for meal period and rest period violations governed by Section 22, the following claims and claims for associated penalties shall be resolved exclusively through the procedures set forth in this Section 51, and shall not be brought in a court of law or before any administrative agency such as the California Labor Commissioner: all claims arising under the Fair Labor Standards Act, the California Labor Code and the Industrial Welfare Commission Orders for: unpaid wages (e.g. claims for hours worked off the clock, overtime wages, minimum wages, incorrect rate(s) of pay, and travel time); heat illness recovery violations; waiting time penalties; reimbursement of expenses (e.g. tools, cell phone charges, mileage and subsistence); recordkeeping of personnel files, time records and payroll records; and violation of Labor Code sections 212 and 226.

It is mutually agreed that this Agreement prohibits any and all violations of the sections of the California Labor Code that are listed in section 2699.5 of the California Labor Code and would be redressable pursuant to the Labor Code Private Attorneys General Act of 2004 ("PAGA"). Such claims shall be resolved exclusively through the procedures set forth in this Section 51 and shall not be brought in a court of law or before any administrative agency such as the California Labor Commissioner. This Agreement expressly waives the requirements of PAGA and authorizes the permanent arbitrator to award any and all remedies otherwise available under the California Labor Code, except the award of penalties under PAGA that would be payable to the Labor and Workforce Development Agency.

For rest period and meal period claims, the time limit for bringing such claims is the time limit for bringing grievances under this Section 51. For all other claims covered by this subsection 18, the intent of the parties is to use the shortest time limit permitted by applicable law, as determined by the arbitrator. All substantive and procedural rights applicable to mandatory arbitration or employment claims shall be observed, e.g., the right to more than minimal discovery, payment of costs by the employer, a written award, etc. The permanent arbitrator shall manage all such claims with due regard for the rights of the employees and the inherent advantages of arbitration over court proceedings.

Wherever the Wage Order refers to collective bargaining agreements, this AGC/Carpenters Master Labor Agreement shall be deemed to satisfy all of the requirements for treatment as a qualified collective bargaining agreement.

IN WITNESS WHEREOF, the parties hereto have executed this document this 19th day of December, 2018 in Oakland, California.

Section 2 Show-Up Time

- A. When workers are ordered and dispatched for work and report for work on the same day, they shall be paid hours worked plus two (2) hours reporting, but not to exceed eight (8) hours on a regular eight (8) hour shift.
- B. Except on the first day of employment when workers report to work and no work is provided, they shall receive four (4) hours pay and travel or subsistence, whichever may apply. If a Millwright employee is required to report to work and no work is provided as a result of inclement weather, the employee shall be paid subsistence or travel for the day as spelled out in Section 1 (Travel and Subsistence), whichever may apply.
- C. The regular lunch period for Millwrights shall start no less than three and one-half (3 ½) nor more than five (5) hours after the start of any regular shift. Any Millwright who works more than a five (5) hour period without a meal period shall be paid for all work in excess of said five (5) hour period (at the prevailing overtime rate) until a meal is provided (such pay shall be reckoned by the hour and the half hour). The established lunch period will constitute the reckoning of the day or half day. If the job

circumstances require Millwrights to work more than ten (10) hours on a shift, they shall have a second meal period of one-half (½) hour and an additional meal period every four (4) hours thereafter. Such meal period shall be paid for at the prevailing overtime rate by the Individual Employer.

- D. Notwithstanding the multiple shift-three (3) day requirement a single or multiple approved shift may be established where the premises cannot be vacated in whole or in part until the close of business. Workers then reporting for work shall be paid on the basis of eight (8) hours pay for seven and one-half (7 ½) hours work. Any work prior to the approved shift and any work after the approved shift period shall be at time and one-half not to exceed four (4) hours. Overtime work in excess of four (4) hours shall be double time.

Section 3 Foreman

- A. When two (2) or more Millwrights are employed on a job, one (1) shall be foreman and be paid foreman's pay.
- B. In all 46 Counties a Millwright Foreman may not supervise more than one (1) jobsite. No one (1) Millwright Foreman shall supervise more than ten (10) Millwrights. Effective July 1, 2017, Foremen shall receive three dollars and fifty cents (\$3.50) over Millwright's scale. Effective July 1, 2019, Foremen shall receive four dollars and fifty cents (\$4.50) over Millwright's scale. Effective July 1, 2021, Foremen shall receive five dollars and fifty cents (\$5.50) over Millwright's scale. Either a Millwright Foreman or General Foreman, having supervision over other crafts, shall receive not less than the regular hourly rate of the highest paid classification over which he has supervision, providing that the employee receiving the highest rate of pay (other than a Millwright) shall be on the Individual Employer's payroll. In the above case the Millwright shall not receive less than the Millwright Foreman or General Foreman's scale.
- C. When there are three (3) or more Millwright Foremen employed by the Individual Employer on the jobsite, there shall be designated one (1) General Foreman and he shall receive the General Foreman rate, one dollar and fifty cents (\$1.50) per hour over Millwright Foreman's scale. Effective July 1, 2019 General Foremen shall receive two dollars and fifty cents (\$2.50) over Millwright Foreman's scale. The Individual Employer shall replace any tool owned by an employee modified at the Individual Employer's request, but such modified tools shall then become the property of the Individual Employer.

The Employer, on behalf of itself and each of its members and each Individual Employer, specifically agrees that the neutral Arbitrator may order (as the Arbitrator deems appropriate) the parties to bargain in good faith for any period following a written notice of termination of the Agreement unless and until a lawful impasse occurs or until a successor Agreement is negotiated.

B. Employers' Recognition of Union as Collective Bargaining Representative of Employees.

(6) The appropriate hiring hall of the Local Union of the Union having work and area jurisdiction will furnish in accordance with the request of the Individual Employer such qualified and competent Laborers of the classifications needed from among those entered on said lists to the Individual Employer by use of a written referral in the following order of preference:

Persons shall be referred in the order in which they are registered if their registration indicates that they are qualified for and desirous of taking such referral, unless they are not available for referral, subject to the following conditions: First,

(a) Notwithstanding any other provision of this Agreement, the Individual Employer may request a person by name, out of order, and such person must be dispatched if such person is registered on the out of work list and if such person was employed previously by such Individual Employer or member of a joint venture within three (3) years prior to such request within the territorial jurisdiction of the appropriate Local Union of the Union.

(b) In addition to requests permitted by the provision of subsection 6(a), the Individual Employer may request any person registered on the out of work list out of order for any reasons; provided, however, that at no time shall any job contain more than fifty percent (50%) of persons requested under subsection 6(b). It will not be a violation of this Agreement for an owner (1 person) to perform Laborers' work when

needed, provided that said owner is performing work with at least one (1) additional Laborer on the job site.

(c) Any Local Union, may at its option, permit a percentage of individual requests greater than fifty percent (50%) on any job. Such permission shall not be deemed a violation of this Agreement.

(d) Notwithstanding the above, the mobility of all employees who have been employees of the Individual Employer for a period of three hundred sixty (360) hours out of the immediate preceding six (6) months, shall not be restricted for any reason subject to Section 3A, Union Security. In order for the Individual Employer to exercise the mobility provisions set forth in this paragraph, the Individual Employer shall:

(1) Provide the appropriate Local Union with a current list of names and Social Security Numbers of those employees who are eligible for mobility, prior to any employee being moved; and

(2) The Individual Employer shall notify the appropriate Local Union of a job or project of more than five (5) days' duration.

(3) In cases where an Individual Employer is found to have dispatched certain employees not eligible for mobility to a job site as defined herein, then the Local Union having jurisdiction in the project area shall notify the employer of such violation or error. The Individual Employer, upon notification by the Union, shall within one (1) working day, correct said violation or error to the satisfaction of the Union. Additional laborers shall be obtained in accordance with the hiring hall procedures from the Local Union in the area where work is performed. All laborers shall have in their possession proof of proper dispatch and Union status which shall be produced upon request of Local Union representative in the area where the job is located. Any violation not resolved to the mutual satisfaction of the parties shall be subject to Section 9 of this Agreement.

(4) No employee of the Individual Employer shall suffer loss of mobility for a break in service of two (2) months or less with the employer if the break in service is due to illness, extended vacation or winter shutdown.

(e) No person shall be dispatched pursuant to the provisions of subsection 6(a), 6(b) or 6(c) of this Section unless the Individual Employer's request is in writing, dated, is signed by an appropriate management representative, specifies whether the person is a rehire and names the job for which rehire is requested.

Second, persons who, within five (5) years immediately preceding the job order, performed work covered under this Agreement in the geographical area covered by this Agreement in the order in which they registered.

Third, persons who are registered in the order in which they registered by qualification.

(7) Available for employment shall mean: All persons eligible for referral shall be present at the hiring hall or present at their residence or mobile phone (during dispatching hours, unless excused for the following reasons) in those Local Unions permitting telephone dispatch:

(a) When a death or imminent death occurs in the immediate family or other close family member, from the date of death and not exceeding one week after the date of burial, however, they shall produce bona fide proof of such death or imminent death from hospital or family doctor.

(b) Persons on jury duty, providing they produce bona fide proof that they are serving on a jury.

(c) Persons temporarily serving in the U.S. Military, providing they show bona fide proof of such service.

(d) Attendance at Workers' Compensation Hearing or any administrative or court appearance upon a showing of *bona fide* proof of a required appearance.

(e) Hospitalization or medical treatment of the member or an immediate family member, requiring the attendance or involving the family responsibilities of the member (for up to one [1] week) upon appropriate proof.

(f) Confinement of a spouse because of pregnancy and the anticipated imminent delivery of a child (for up to one week) upon appropriate proof.

(g) Training sponsored by the District Council upon appropriate proof.

(8) When ordering workers, the Individual Employer will give notice to the appropriate hiring hall of the Local Union, if possible, not later than 2:30 p.m. of the day prior (Monday through Friday) or, in any event, not less than seventeen and one-half (17½) hours, if possible, before the required reporting time. In the event that forty-eight (48) consecutive hours after such notice (Saturday, Sundays and recognized holidays excluded), the Local Union shall not furnish such workers, the Individual Employer may procure workers from any other source or sources. If workers are so employed, the Individual Employer shall promptly report to the appropriate hiring hall of the Local Union, in writing or by phone with written confirmation within forty-eight (48) hours, the name, address and Social Security Account Number of the employee procured from such other source or sources and the date of employment and the location of the job on which he/she is employed. Workers who report on the first day

are to be paid from the time they report to the Individual Employer's designated location.

(9) Dispatching hours shall be as specified in subsection (1) of this subsection 3B or as specified in the notice or notices submitted pursuant to subsection (1) of this subsection 3B. In emergency cases, individuals may be dispatched other than at such dispatching hours.

(10) Each person, upon being referred, shall receive a written referral to be transmitted to the Individual Employer representative at the job site indicating the name, address, Social Security Account Number, type of job, date of proposed employment and date of referral.

(11) To insure the maintenance of a current registration list, all persons who do not re-register or answer roll call, as the case may be, on each regularly scheduled roll call day (which shall not be more often than once a week), shall be removed from the registration list unless excused in accordance with subsection 3B(7). Any person may re-register by phone and must be personally present at the phone during dispatch hours. If a referral is made by phone, a written dispatch slip must be sent to the Individual Employer and worker. Any person who is permitted to register by telephone under this subsection 3B must appear personally at the appropriate hiring hall on roll call day. If such persons re-register or answer roll call pursuant to the provisions of this Section, they shall maintain their previous position on such list, subject to the provisions of subsection (12) of subsection 3B following, such person shall not be entitled to the position he/she held prior to his/her elimination in the event he/she re registers or answers roll call, as the case may be. Persons will be excused from answering roll call only for the reason enumerated in subsection 3B(7).

(12) Persons shall be eliminated from the registration list for the following reasons:

(a) Dispatched to a job except that any person who is rejected by the Individual Employer or who fails to complete four (4) full days (thirty-two [32] hours, accumulated from Individual Employers) of work and/or pay shall retain his/her position on said list; provided, no person who is rejected by the Individual Employer shall be re-referred to such Individual Employer with respect to the same request pursuant to which he/she was initially referred.

(b) Failing to accept suitable employment one time during the current week at the time of dispatch. Employment which cannot be reached by an individual because of lack of transportation shall not be deemed suitable as to him/her.

(c) Unavailable for employment.

(d) Any person dispatched to a job who fails to report for work.

(13) Notwithstanding the provisions of this Section 3B, upon the same notice as required in Section 3B(6)(e) being given to the appropriate Local Union of the Union, an Individual Employer shall have complete freedom to employ the first key Laborer.

(14) Subject to the provisions of this Agreement, the Individual Employer shall have complete freedom of selectivity in hiring and the Individual Employer retains the right to reject any job applicant referred by the Union for just cause including but not limited to persons unable to produce legal residence documentation as required under the Immigration Reform and Control Act of 1986. In the event an Individual Employer receives two (2) referrals from the Local Union not meeting the skill requirements of the hiring request, the Individual Employer shall be free to secure such skilled person from any available source subject to Section 3A of this Agreement.

(15) The Local Unions and the Union shall post in places where notices to applicants for employment with the Individual Employers are customarily posted, all provisions relating to the functioning of the hiring arrangements, including the provisions set forth in this Section, and each Individual Employer shall similarly post in places where notices to employees and applicants for employment are customarily posted, a notice of the hiring arrangements set forth in this Section.

(16) Selection of applicants for referral to jobs pursuant to this Agreement shall be on a non discriminatory basis and shall not be based on, or in any way affected by, Union membership, bylaws, rules, regulations, constitutional provisions, or any other aspect or obligation of Union membership, policies or requirements, provided that the provisions hereof shall not modify or qualify the requirements of Subsection A of this Section 3.

(17) Any hiring hall registrant who misuses the hiring hall and the relationship with signatory Individual Employers by failing to appear for work for which he/she has been dispatched; or failing to appear at the jobsite ready and prepared to work; or accepting employment for which the laborer is not qualified may, at the Local Union's discretion, be suspended from utilizing the hiring hall out-of-work list for subsequent offenses; and may be denied referrals for which the applicant is not qualified until he/she demonstrates that he/she possesses the qualifications to the Laborers' Training Center.

Any appeal of these penalties must be submitted to the Hiring Hall Arbitrator under Section 3B(18), whose decision shall be final and binding.

(18) Any person aggrieved by the operation of the hiring hall shall submit his/her grievance to the permanent hiring hall neutral arbitrator provided that such submission is made in writing stating the reasons for the grievance within ten (10) working days after the occurrence of the grievance.

The Arbitrator shall have full power to adjust the grievance, and his/her decision thereon shall be final and binding upon the person submitting the grievance and all parties hereto. Forms for the submission of any such grievance shall be available at all times in the office of the Union and each Local Union.

The permanent hiring hall neutral arbitrator shall be Robert M. Hirsch and notices required by this Section shall be mailed or delivered to P.O. Box 170428, San Francisco, CA 94117. The date of this postmark and/or date of delivery of the grievance, whichever is later, shall toll the running of the ten (10) day period. The costs of arbitration shall be borne equally by the Employer and the Local Union regardless of who the Local Union or Individual Employer is.

(19) The Union recognizes the need of the Individual Employer to have access to Union dispatched Laborers on an expedited basis and the Individual Employer recognizes the Union's obligation to operate a fair and efficient hiring hall. Notwithstanding the other provisions of this article, if the Individual Employer contacts the Local Union after posted dispatch hours and requests workers to be dispatched to a job site within twenty-four (24) hours of the Individual Employer's call to the Local Union (and the Individual Employer does not request the Laborer by name pursuant to subsection 6(a) or subsection 6(b) above), then the Local Union shall dispatch the person nearest the top of the out-of-work list who is present at the Local Union hiring hall, and if no Laborer is present, the person nearest to the top of the out-of-work list who can be contacted by telephone. If the Local Union is unable to contact a registrant by telephone after one (1) telephone call, the Local Union shall call the next qualified person on the list. A person who is not present at the Local Union hiring hall or reachable by telephone for an expedited dispatch under this section shall not be eliminated from the out-of-work list.

C. Discharge

No employee shall be discharged or discriminated against for activity in or representation of the Union or any Local Union. The Local Union shall be the sole judge of the qualifications of its members.

The Individual Employer shall be the sole judge of the qualifications of all of their employees, and may on such grounds, discharge any of them. After forty (40) hours of employment, no employee shall be discharged without just cause. In the event of discharge without just cause, the employee shall, if he/she so desires, be reinstated with payment for time lost. In the event of a dispute, the existence of "just cause" shall be determined under the grievance procedure provided for in Section 9 hereof. In the event of reinstatement, the amount of back pay awarded under Section 9 hereof may not exceed 90 days unless the grievant was employed by the Individual Employer who discharged him/her for more than 1500 hours in the two (2) years preceding the date of discharge.

During the first forty (40) hours of employment, the Individual Employer may reject or discharge any employee for any reason.

D. The Individual Employer may notify the Local Union hiring hall of all employees who have quit, or been terminated or recalled during the week. Such notification may be on a written form which will include the following information:

NAME OF EMPLOYER COMPANY

NAME OF EMPLOYEE

DATE OF TERMINATION

DATE OF RECALL

REASON FOR TERMINATION

E. No employee may be transferred from an Individual Employer's payroll to another Individual Employer's payroll except in accordance with subsection 3B, except any transfer to and/or from a joint venture of which the Individual Employer is a partner.

Section 4 Show-Up Time

A. The Individual Employer is not obligated to pay show-up time to any applicant/employee who fails to comply with the company code of safe practices.

B. When any employee reports for work and there is no work provided by the Individual Employer, he/she shall be paid two (2) hours show-up time at the applicable rate plus zone pay where applicable, provided, however, no show-up time will be payable to any person who reports for work without the necessary and legally required documentation to establish work right status under applicable Immigration and Naturalization Laws. If work is suspended on account of weather conditions, the employee shall be entitled to show-up time only if he/she remains on the job site for two (2) hours pending abatement of such weather unless sent home earlier by the Individual Employer. If work is to be suspended for any reason, the employee shall be notified at least two (2) hours before being required to report for work. The employee shall keep the Individual Employer informed at all times of his/her correct address, and if he/she has a telephone, his/her telephone number. If an employee does not keep the Individual Employer so informed, the Individual Employer shall be relieved of the duty of giving such notice and further he/she shall not have to pay such employee show-up time. Radio and/or TV notice is acceptable on remote projects as means of notification providing the Union is notified in writing at the commencement of the job.

Section 5 Higher Wages

No employee receiving a higher rate of pay shall suffer a reduction of pay by reason of the execution of this Agreement.

Section 6 Lunch Time, Rest Periods, & Heat Illness Preventative Recovery Period

A. There shall be a regularly established meal period. The meal period shall be one-half (½) hour and shall be scheduled to begin not more than one-half (½) hour before and completed not later than one (1) hour after the midpoint of the regularly scheduled hours of work of each Employee's shift.

If the Individual Employer requires the Employee to perform any work through his/her scheduled meal period, the Employee shall be paid at the applicable overtime rate for such meal period and shall be afforded an opportunity to eat on the Individual Employer's time.

Any employee required to work more than two (2) hours overtime at the end of a shift shall be permitted a one-half (½) hour meal period for which he/she shall receive regular overtime pay. No work shall be performed by him/her during such meal period. (Meal periods may be staggered from the 10th to the 11th hour.) However, if an Employee works over ten (10) hours, the Individual Employer and Employee may mutually agree to waive the Employee's entitled second (2nd) meal period so long as the first meal period was taken and the Employee works not more than a total of twelve (12) hours.

B. Employees shall be authorized and shall be permitted to take a total of ten (10) minutes during each four (4) hour segment of their assigned work shift for a rest period.

There shall be no formal organized rest periods during working hours and as far as practicable the break will be taken as near to the middle of each four (4) hour work segment as possible. Rest periods shall be scheduled in a manner so as not to interfere with workflow or continuous operations and Individual Employers shall be able to coordinate the timing of each ten (10) minute rest break with their Employees to assure the continuity of work. Employees shall be required to remain in their respective work area, or to take their rest period in a specific area designated by the Individual Employer. The second rest period may be added to the end of the meal period or workday when working conditions so dictate as determined by the Individual Employer. Employees who work more than ten (10) hours shall be authorized and permitted three ten (10) minute rest periods.

It is understood that the Employee will take his/her appropriate rest period unless the Individual Employer specifically directs the Employee not to take this rest break due

to operational requirements. Employees are required to notify their supervisor whenever they are unable to take their rest periods.

If an Individual Employer fails to authorize and permit an Employee with a rest period as provided herein, the Employee shall be paid a penalty payment equal to one (1) hour at his/her applicable hourly wage rate excluding fringe benefits for all missed rest periods that day.

C. A heat illness preventative recovery period of no less than five (5) minutes shall be made available in order to prevent heat illness.

Employees believing a preventative recovery period is needed to avoid heat illness or suffering from heat illness shall be provided access to an area with shade that is either open to the air or provided with ventilation or cooling or provided for a period of no less than five minutes. Such access to shade shall be permitted at all times. Cooling measures other than shade (e.g., use of misting machines) may be provided in lieu of shade if the Individual Employer can demonstrate that these measures are at least as effective as shade in allowing employees to cool.

Employees should not discount any discomfort or symptoms they are experiencing. They should immediately report any problems they are experiencing to a supervisor and coworker. Employees must notify their supervisors immediately if they believe they require access to shade, or alternative cooling measures and/or a preventative recovery period.

If an Individual Employer fails to provide an Employee a preventative recovery period in accordance with this Section, the Individual Employer shall pay the Employee one additional hour of pay at the Employee's regular rate of compensation, excluding fringe benefits, for each work day that a requested preventative recovery period is not provided. No employee shall be discriminated against for exercising his/her rights pursuant to this Section.

D. All disputes concerning meals, rest periods and/or heat illness preventative recovery periods are subject to the Grievance Procedures in Section 9 of the Agreement and must be brought to the attention of the Employer, in writing, by the Union or Employee within ten (10) working days of the alleged violation. Decisions resolving disputes arising out of the Grievance Procedures shall be final and binding upon both parties.

Section 7 Records

A. Each Individual Employer shall provide a proper means for registering the reporting, quitting time, and as supplied by the employee, the address and telephone number of all employees covered by this Agreement. In the event of a dispute, such

records shall be accessible to the business representative of the Union or Local Union during working hours.

B. Each Individual Employer, upon request of any Trust Fund specified in this Agreement, shall permit a Trust Fund Auditor to review any and all records relevant to the enforcement of the provisions of this Agreement pertaining to the Trust Funds. Such review shall be permitted not less than ten (10) working days after demand.

Section 8 No Cessation of Work

It is mutually agreed and understood that during the period when this Agreement is in force and effect, the Union or any Local Union will not authorize any strike, slow down, or stoppage of work in any dispute, complaint, or grievance arising under the terms and conditions of this Agreement, except such disputes, complaints, or grievances as arise out of the failure or refusal of any Individual Employer to comply with the provisions of the hiring clause, Section 3A or B hereof, or as permitted under Section 28B and C hereof or whenever an Individual Employer pays Laborers improperly with checks which do not clear for collection. As to any Individual Employer who shall fail or refuse to comply with the provisions of the sections specified herein, so long as such failure or refusal continues it shall not be a violation of this Agreement if the Union or any Local Union withdraws its members who are subject hereto from the performance of any work for such Individual Employer, and such withdrawal for such period shall not be a strike or work stoppage within the terms of this Agreement. In the event that any employees of any Individual Employer should be withdrawn by reason of any dispute, complaint, or grievance arising out of the violation of any similar hiring clause in any agreement between Employer and any other Union, then the Union or any Local Union may respect such withdrawal and for the period thereof may refuse to perform any work for such Individual Employer, and such refusal for such period shall not be a violation of this Agreement.

Any employees so withdrawn or refusing to perform any work as herein provided shall not lose their status as employees, but no such employee shall be entitled to claim or receive any wages or other compensation for any period during which he/she has been so withdrawn or refused to perform any work.

Section 9 Grievance Procedure

Any dispute concerning the interpretation or application of this Agreement, other than a jurisdictional dispute or a dispute arising out of Section 3A or 3B, or a dispute arising out of subsection 13C(4), or a dispute of Section 28 (Health & Welfare Plan, Pension/Annuity Plan, Vacation-Holiday-Dues Supplement Plan, Training-

Retraining/Apprenticeship Plan) which said Sections and the Subsections thereof are specifically exempted by the provisions of this Section, the following procedure will apply:

1. In the event that a dispute arises on a job, it shall be first reported to the Individual Employer and/or the Business Agent of the appropriate Local Union who shall then attempt to adjust said grievance or dispute at the job site level.
2. The grieving parties shall specify the date(s) of the alleged violation(s) and the provision(s) of the Agreement applicable to the dispute.
3. If said grievance or dispute is not satisfactorily adjusted by the appropriate Local Union or otherwise authorized Union Representative and the Individual Employer or his/her representative within three (3) days after submission to the Individual Employer, the matter may be submitted by either party to a permanent Board of Adjustment created for the settlement of such disputes.
4. The Board of Adjustment shall be composed of two (2) members named by the Union, two (2) members named by the Association and an Impartial Arbitrator. At any point in the proceedings, should the panel be unable to reach a majority vote, the Arbitrator shall participate and his/her decision shall be final and binding.
5. In addition to any rules or procedures which the panel may adopt, the Board of Adjustment shall be governed by the following provisions:
 - (a) No attorney shall be utilized unless either party notifies the other of its intent to do so with a minimum of fourteen (14) calendar days in advance of the hearing.
 - (b) No briefs shall be submitted nor a transcript made of the hearing except by mutual agreement of the parties or by direction of the Arbitrator.
 - (c) In the case of a deadlock, the Arbitrator shall render his/her decision upon the conclusion of the case at the Board of Adjustment hearing unless the time is extended by mutual agreement of the parties or at the request of the Arbitrator, in which case the Arbitrator shall render a decision not later than thirty (30) days after submission. The Arbitrator shall not render an expanded opinion in any case unless requested by the parties.
 - (d) The parties shall select and utilize one (1) permanent impartial arbitrator who is willing to abide by the procedures set forth herein. The impartial arbitrator may be changed or replaced at the request of either party.
6. The Board of Adjustment shall meet not less than once each calendar month with the exception of the discharge cases which must be heard at the earliest possible

date not to exceed fifteen (15) working days. Failure of either party to meet or participate in the procedure shall relieve the charging party of further compliance with the grievance procedure.

7. Decisions of the Board of Adjustment or an Impartial Arbitrator shall be within the scope and terms of this Agreement, and shall be final and binding upon all parties hereto. The Board of Adjustment or an Impartial Arbitrator shall only have jurisdiction and authority to determine the meaning, application of, or compliance with the provisions of this Agreement and shall not have jurisdiction or authority to add to or detract from, amend, modify or alter in any way the provisions of this Agreement or its intent.

8. In the event an Individual Employer fails to comply with any such decisions, the Union may withdraw employees or strike the Individual Employer and such action shall not be a violation of this Agreement so long as such noncompliance continues.

9. The expenses of the Joint Adjustment Board and the Impartial Arbitrator, including the cost of a court reporter, shall be borne by the Contract Administration Fund.

10. No proceedings hereunder based on any dispute, complaint or grievance herein provided for, shall be recognized unless the grievance procedure steps outlined above have been followed. The Board of Adjustment may, by majority vote, for good cause, accept a late submission.

11. The Board of Adjustment shall establish regular meeting dates and administer grievances filed in conjunction with this Section as set forth in the rules and procedures which may be amended from time to time by the parties.

12. A decision of the Board of Adjustment by majority vote, or the decision of a permanent arbitrator shall be enforceable by a petition to confirm an arbitration award filed in the Superior Court of the City and County of San Francisco, State of California.

13. All hearings of the Board of Adjustment shall be in the County of Contra Costa and/or County of Alameda, unless mutually agreed to move to another location.

14. No proceedings hereunder based on any dispute, complaint, or grievance herein provided for shall be recognized unless adequate notice was given to the Employer and/or Union or Local Union within ten (10) days after the alleged violation was committed.

15. In the case of discharge, the Board shall meet within fifteen (15) working days. The Board of Adjustment or Arbitrator shall be free to sustain the discharge or to find discipline other than discharge to be appropriate and may order reinstatement with full

or partial back pay as he or it deems appropriate provided there shall be no discrimination on the part of the Individual Employer against any employee for activities in behalf of, or representation of the Union not interfering with the proper performance of his/her duties.

16. If failure of a Board of Adjustment to meet on a discharge case within fifteen (15) working days is due to the unavailability of the Union, the wage payment and Trust Fund contribution liability shall be limited to the above fifteen (15) working days. If the Employer or Individual Employer is unavailable to meet the wage payment and Trust Fund contribution, liability shall be continuing.

17. The Board of Adjustment shall settle any dispute or grievance involving a subcontractor as defined in Section 11 who has agreed under contract with the Employer, or any Individual Employer, or a subcontractor of the Employer, or any Individual Employer to perform on the job site any part or portion of the construction work covered by the prime contract, including the operation of equipment, performance of labor and installation of materials.

When liabilities are assessed against a subcontractor for hiring violations as a result of a Board of Adjustment held under the provisions of Paragraph 17 and said subcontractor fails to satisfy said obligations, the Union shall promptly give written notice to the Individual Employer and subcontractor and the Individual Employer shall pay such obligations from the retention of such subcontractor.

18. The procedures specified herein shall be applicable to any Individual Employer whether or not he or she is a member of Employer or any other associations.

19. In those instances where the Individual Employer is not a member of the Employer, the Joint Adjustment Board shall establish procedures whereby the Employer members of the Joint Adjustment Board may consist of one Individual Employer who is not a member of the Employer.

20. In addition to disputes concerning the interpretation or application of this Agreement, all claims and claims for associated penalties arising under the federal Fair Labor Standards Act, the California Labor Code, and Wage Order 16, will be resolved through the procedures set forth in this Section 9; such claims may not be brought in a court of law or before any administrative agency such as the California Labor Commissioner.

Section 9A Contract Administration

A trust fund entitled "The Contract Administration Trust Fund" shall be used to provide compensation to the Employer for negotiations and administration of the provisions of this Agreement, including Section 9, for the Industry. Effective September 1, 2006,

each signatory employer shall contribute the sum of eight cents (\$.08) per hour worked or paid for to the Contract Administration Trust Fund. At the discretion of the Trustees of said Trust, contributions to the Contract Administration Trust Fund may be increased up to an additional four (\$.04) cents per hour during the term of this Agreement. Such increase or increases are to be effective on such dates as determined by the Trustees. The contributions into the Contract Administration Trust Fund shall not exceed ten cents (\$.10) per hour for each hour paid for or worked. The Trust Fund shall be administered solely by Trustees selected by the Employer in accordance with a trust agreement to be executed by the Employer. The contributions as described above shall commence with the work month following notice by the Laborers' Northern California Trust Fund Corporation to the Individual Employers. The Union shall have the right, not more than one (1) time per year, to independently audit the Trust Fund.

Section 9B Industry Stabilization Fund

Effective July 1, 2013, the Individual Employer shall contribute fourteen cents (\$.14) per hour for each hour paid for or worked by workers in work covered by this Agreement to the Industry Stabilization Fund. Of the fourteen cents (\$.14) per hour, five cents (\$.05) per hour is earmarked for California Alliance for Jobs, seven cents (\$.07) per hour is earmarked for Foundation for Fair Contracting (FFC), and two cents (\$.02) per hour is earmarked for the Construction Industry Force Account Council (CIFAC).

The purpose of such funds shall be to enhance the monitoring of public works projects relative to Employer compliance with State, Federal or other public agency public works wage and hour laws. Such contributions shall continue until written notice by the parties signatory hereto. Such trust fund shall be administered jointly by the signatory parties.

Section 10 Payment of Wages

A. Each employee shall be paid wages in full each week before or at quitting time on the Individual Employer's regular pay day unless specific arrangements to the contrary are made in writing between the Individual Employer and appropriate Local Union of the Union. Employees who quit or are laid off or discharged shall be paid in accordance with the laws of the State of California.

Any dispute regarding waiting time penalties shall be subject to the Grievance Procedures in this Agreement with not more than eight (8) hours pay at the straight time rate charged for any calendar day with a maximum of ten (10) days provided, however, that where the non-payment or delayed payment is willful, repeated, or intentional, the Board of Adjustment may award up to thirty (30) days' waiting penalties.

B. Each employee shall be given a statement with the Individual Employer's name and address, itemizing the employee's gross amount earned, hours worked, Social Security tax, withholding tax and all other deductions, also a statement of hours applicable to Health and Welfare, Pension/Annuity, Vacation Holiday Dues Supplement and Training-Retraining/Apprenticeship Plans.

C. Individual Employers may pay employees utilizing the electronic direct deposit of wages or a debit pay card as provided under California law. Payment by direct deposit or a debit pay card shall be at the employee's option and not as a condition of employment. Employees shall not incur any transaction fees or lost or stolen card fees for the utilization of a debit pay card.

Final compensation shall be paid by check.

Section 11 Subcontractors

The terms and conditions of this Agreement insofar as it affects Employer and the Individual Employer shall apply equally to any subcontractor of any tier under the control of, or working under oral or written contract with such Individual Employer on any work covered by this Agreement to be performed at the job site or job yard, and said subcontractor with respect to such work shall be considered the same as an Individual Employer covered hereby. Subject to the provisions of this Section and any other Section of this Agreement applicable to subcontractors, if an Individual Employer shall subcontract work herein defined, such subcontract shall state that such subcontractor agrees to be bound by and comply with the terms and provisions of this Agreement. A subcontractor is defined as any person, firm or corporation who agrees under contract with the Employer, or any Individual Employer, or a subcontractor of the Employer, or any Individual Employer to perform on the job site any part or portion of the construction work covered by the prime contract, including the operation of equipment, performance of labor and installation of materials. The Individual Employer has the primary obligation for performance of all conditions of this Agreement. This obligation cannot be relieved, evaded or diminished by subcontracting. Should the Individual Employer elect to subcontract, the Individual Employer shall continue to have such primary obligation. Said primary obligation shall be deemed conclusive evidence of the Union's majority status for the purpose of establishing the obligation of the Individual Employer to bargain collectively pursuant to Section 8(a)(5) of the National Labor Relations Act as amended with the Union upon expiration of this Agreement, but for no other purpose, statute or law.

An Individual Employer who provides in the subcontract that the subcontractor will pay the wages and benefits and will observe the hours and all other terms and conditions of this Agreement shall not be liable for any delinquency by such subcontractor in the payment of any wages or fringe benefits provided herein, including payments required

by Section 28 (Health and Welfare, Pension/Annuity, Vacation Holiday Dues Supplement and Training-Retraining/Apprenticeship Funds), except as follows:

The Individual Employer will give written notice to the Union of any subcontract involving the performance of work covered by this Agreement within five (5) days of entering such subcontract, and shall specify the name and address of the subcontractor. Written notice at a pre-job conference shall be deemed written notice under this provision for those subcontractors listed at the pre-job only. Notification to the Union of any subcontractor not listed in writing at the pre-job must still be given in accordance with this paragraph.

If thereafter such subcontractor shall become delinquent in the payment of any wages or benefits as above specified, the Union shall promptly give written notice thereof to the Individual Employer and to the subcontractor specifying the nature and amount of such delinquency.

If such notice is given, the Individual Employer shall pay and satisfy only the amount of any such delinquency by such subcontractor occurring within seventy-five (75) days prior to the receipt of said notice from the Union, and said Individual Employer may withhold the amount claimed to be delinquent out of the sums due and owing by the Individual Employer to such contractor.

In the event the Individual Employer fails to give written notice of a subcontract as required herein such Individual Employer shall be liable for all delinquencies of the subcontractor on that job or project without limitation.

The Individual Employer shall not be liable for any such delinquency if the Local Union where the delinquency occurs refers any employee to such subcontractor after giving such notice and during the continuance of such delinquency. The provisions of this Section 11 shall be applied only to the extent permitted by law and, notwithstanding any other provision of this Agreement, no aspect of the subcontractors' clause, including its enforcement, may be enforced by or subject to strike action.

Section 12 Conflicting Contracts

Any oral or written agreement between Employer or any Individual Employer and an individual employee, which conflicts or is inconsistent with this Agreement, or any supplemental agreements hereto, disestablishes or tends to disestablish relationship of Employer and employee, or establishes a relationship other than that of Employer and employee, shall forthwith terminate. No oral or written agreement which conflicts or is inconsistent with this Agreement, or any supplemental agreements thereto, shall hereafter be entered into by and between Employer, or an Individual Employer, and any individual employee performing work covered by this Agreement. Any practice of the Employer or Individual Employer contrary to this Agreement shall forthwith

terminate. Any such future practice shall not be binding on the Union or effect the interpretation of this Agreement unless specifically authorized by the Union in writing.

Section 13A Elimination of Restrictions on Production

No rules, customs or practices shall be permitted that limit production or increase the time required to do any work. There shall be no limitation or restriction of the use of machinery tools or other labor saving devices.

The Union and Employer recognize that drug and alcohol abuse by employees shall not be tolerated for safety reasons.

The Union agrees to cooperate with the Employer and the Individual Employer in establishing drug and alcohol abuse policies to the extent legally possible.

Notwithstanding any other provisions of this Agreement, the Individual Employer expressly reserves the right, in its discretion, to undertake the following measures:

(1) In the sole discretion of the Individual Employer, requiring covered employees to submit to physical examination by competent medical personnel to determine whether there is a probability that the employee is suffering from any physical impairment which might cause the employee to be a safety hazard to themselves or others, or which might cause the employee to be unable to perform assigned tasks within the coverage of this Agreement in a prompt and competent manner. Such tests may include, in the discretion of the Individual Employer, such tests of the employee's bodily fluids as the Individual Employer may reasonably believe will elicit evidence of the employee's use of substances which are reasonably likely to alter or impair the employee's ability to perform his/her duties in a prompt, competent and safe manner.

(2) Implementation of rules regarding the discipline and/or discharge of any employees that the Individual Employer determines, as a result of the tests described in subparagraph (1), are reasonably likely to become voluntarily impaired or disabled from the safe performance of their work tasks as a result of the ingestion of alcohol or performance-impairing drugs.

(3) An Individual Employer may initiate unannounced random testing; a selection process where affected employees are selected for testing and each employee has an equal chance of being selected for testing. If an Individual Employer initiates such testing, all employees shall be subjected to such testing. The Individual Employer may establish two random testing pools, one for DOT regulated employees and one for all others. An Individual Employer who initiates random testing shall specifically state in its notice to the Union and its notice to employees that employees will be subject to

random testing. The Individual Employer shall give thirty (30) days notice to the Union and employees prior to implementing a random drug testing program.

(4) Implementation of a voluntary employee assistance program, to provide counseling, therapy and monitoring of those employees who request employer assistance in controlling and overcoming problems related to the use of drugs and alcohol.

Disputes arising from the implementation of the provisions of this paragraph shall be subject to the grievance procedures set forth in Section 9 of this Agreement.

(5) A member who refuses to submit to a drug/alcohol test when dispatched or a member who has a positive/failed "pre-employment" test shall not be paid show-up time, provided that the member does not perform any work for the Individual Employer.

Section 13B Protective Clothing

Such equipment shall be sanitized before reissue.

Section 13C Safety

(1) The Union shall cooperate with the Individual Employer and with each employee in carrying out all pertinent rules and regulations dealing with health, safety and welfare of employees promulgated by the Department of Industrial Relations of the State of California. All employees shall perform their duties in each operation in such manner as to promote safe and efficient operations of each particular duty and of any job as a whole.

(2) All State and/or Federal and/or Local Safety Laws, Standards, Rules and Regulations shall be applicable to all work covered by this Agreement. The Individual Employer is solely responsible for implementing and maintaining such Laws, Standards, Rules and Regulations. Neither the Union nor any Local Union is responsible for implementing or maintaining such Laws, Standards, Rules or Regulations.

(3) Adequate first aid equipment shall be maintained and provisions shall be made for the safety of employees covered by this Agreement on each job by each Individual

Employer. Each Individual Employer shall arrange for adequate and prompt transportation to a hospital or doctor for any employee who is injured on the job and may require doctor's care or hospitalization or both. Each Individual Employer must post the name and address of its doctor and of the Worker's Compensation Insurance carrier on the job site.

(4) No employee shall be discharged for refusing to work under conditions injurious to his/her health or safety as determined under any rule or regulation of the United States or State of California or any political subdivision. Such determination shall be made by a responsible agent of the State of California or OSHA or any of its political subdivisions, or by a safety inspector from the applicable insurance carrier.

(5) When drilling holes in rock or other dust producing material with air or power controlled drilling equipment (excluding jack hammer), dust shall be controlled by water, chemical or other suitable means within the maximum acceptable concentration as set forth in the California or OSHA Construction Safety Orders.

(6) Should the Individual Employer desire a change in variance in the California or OSHA Construction or any applicable Safety Orders, they will notify the Union in writing not less than thirty (30) days prior to making a request for such change.

(9) The Local Union with area jurisdiction shall be notified within twenty-four (24) hours of any industrial injury which results in death or requires hospitalization.

Section 14A Additional Work or Classifications

This Agreement shall not prevent the Employer from negotiating or making agreements with the Union for any work or classification not covered by this Agreement.

Whenever any work covered by this Agreement is to be eliminated or modified by the introduction of any new machine, mechanized process, new or different material, or new or different method or technology with respect to the performance of such work, persons employed under this Agreement and subject thereto, will be given preference

for employment and will be assigned such work where it is not in conflict with International jurisdictional agreements with respect to such new machine, mechanized process, new or different material, or new or different method or technology and the use of any such new machine, mechanized process, new or different material, or new or different method or technology shall be subject to and covered by this Agreement regardless of the nature, size or characteristics of such new machine, mechanized process, new or different material or new different method or technology.

It is not the intent of the parties to provide work where no job exists.

Section 14B Jurisdictional Disputes

There shall be no cessation or interference in any way with any work of the Employer or any Individual Employer by reason of jurisdictional disputes between the Union and any other Union with respect to jurisdiction over any of the work covered by this Agreement. Such disputes shall be settled by the Unions, themselves, or submitted to the International Presidents of the Union involved in the dispute for determination. Until such determination is made and confirmed by the disputing Unions, the work shall proceed as originally assigned by the Individual Employer. Craft jurisdiction is neither determined nor awarded by classifications or coverage descriptions appearing in this Agreement.

Section 15 Pre-Job Conference

There shall be a pre-job conference prior to the start of a job or project, at the option of either party, where the agreed or estimated price to be paid the Individual Employer and any of his/her or its subcontractors is one million dollars (\$1,000,000) or more where construction conditions or remoteness of the project warrant it. The Individual Employer shall notify, in writing, the appropriate Local Union of the Union of an award of work within ten (10) days thereof so that a pre-job conference can be arranged.

Section 16A Employer's Membership

This Agreement is made for, and on behalf of, and shall be binding upon all persons, firms or corporations that at the time of the execution of this Agreement have given or subsequently give bargaining authorization to the Employer as defined in Section 2A.

C. On public work projects where wage determinations exist, such pre determined wage and fringe rates referenced in the bid specifications shall remain in effect for the duration of said project, provided, however, that each segment let by the Owner shall be deemed the project; provided, further that this provision shall not apply to projects where the formal advertised sealed bid procedure is not used. Whenever non-signatory and/or non-union contractors appear on a public works plan holders list and where the prevailing wage determination is less than that which is provided for in the current Master Labor Agreement, the employer signatory to the 2018-2023 Laborers' Master Agreement may bid the project pursuant to the prevailing wage determination attached to and part of the bid specifications for that project. Payments to the Health and Welfare Trust Fund shall be maintained at the Laborers' Master Agreement rates. In no event shall wages be frozen for more than thirty-six (36) months on any one project. Employers should notify the appropriate Local Union whenever utilizing this provision.

Section 19 Wages Applicable to Classifications

Wage rates shall be recognized as applying to classifications rather than to persons and any worker performing work shall be paid at the rate which the classification of their work calls for, except when it is necessary to temporarily transfer workers from one classification to another, in which event such workers shall be paid on the basis of the highest rate and the duration of payment at the highest rate shall be reckoned by the day and the half day.

When workers are requested for one classification and this work is no longer available at the rate and type of work they were requested for, then the workers have the right to accept or reject the employment offered. If the worker so desires, worker shall be given a written notice of reduction in force, stating that the classification that the worker was originally hired for is no longer available; or the worker may have the choice of a lesser rate of pay.

Such shift shall be in accordance with the provisions of subsection 5(a) of this Section. In order to provide for benefits to employees without disruption during periods of contract negotiations and to assure an orderly means of collecting Trust Fund contributions during such periods, each signatory employer agrees that he/she shall be obligated to contribute to each and every Trust Fund referred to in this Agreement for any period following their termination date of this Agreement unless and until a lawful impasse occurs or until a successor Agreement is negotiated. Each signatory employer further agrees that any and all said Trust Funds may enforce this obligation by action to collect such delinquent contributions filed in any court of competent jurisdiction.

Any Individual Employer who is found to be delinquent as a result of an audit will pay and satisfy such delinquency with accrued interest and in addition pay liquidated damages. In the event that any employees of any Individual Employer should be withdrawn pursuant to any similar clause in any agreement between the Collective Bargaining Representative of the Employer and any other Union, then the Union may respect such withdrawal, and for the period thereof, may refuse to perform any work for such Individual Employer and such refusal for such period shall not be a violation of this Agreement. Any employees so withdrawn or

refusing to perform any work as herein provided shall not lose their status as employees but no such employee shall be entitled to claim or receive any wages or other compensation for any period during which he has been so withdrawn or refused to perform any work.

Each Individual Employer delinquent by one (1) or more months in making the payments set forth in Section 28A, above shall be notified by mail by the Administrator of the Trust or Trusts applicable to such delinquency. Copies of such notices shall be sent to the Employer and to the Union. Each such delinquent Individual Employer shall, within five (5) days of the receipt of such notice (by certified mail), give a satisfactory bond in a sum equal to two (2) times the amount of the delinquency. Such amounts are to be determined by the Administrator of the Trust or Trusts applicable. Such bond is not in any way to be construed as in lieu of any payments required under this Agreement.

All such bonds shall be deposited with the Administrator and shall be in a form acceptable by the Administration of the various Trusts.

If the bond must be used to make any payments under Section 28A, the money shall be pro-rated among the amounts owed by such Individual Employer, with the first priority to the Vacation-Holiday-Dues Supplement Trust Fund, and the balance dispersed equally to the Health & Welfare, Pension/Annuity and Training-Retraining/Apprenticeship Trusts.

Whenever an Individual Employer fails to deposit a satisfactory bond within the time provided by this Section, if the notice herein provided for has been given, the Local Union shall not be required to dispatch employees, and further economic action by the Union to obtain compliance of this Section will not be a violation of Section 8 of this Agreement.

Any employees so withdrawn or refusing to perform any work as herein provided, shall not lose their status as employees, but no such employee shall be entitled to claim or receive any wages or other compensation for any period during which he/she has been so withdrawn or refused to perform any work.

Whenever any Employer covered by this Agreement is delinquent with respect to the payment of any contributions or other sum of money due to any Trust Fund specified in this Agreement, the Union may withdraw workers and place appropriate pickets at the premises of the Employer or places where said Employer is performing work.

Section 28D Supplemental Dues

Effective July 1, 2013, for all work performed, upon authorization as required by law, the amount of ninety-one cents (\$.91) per hour for each hour paid or worked, shall be transmitted from the Vacation-Holiday benefit of each laborer and shall be remitted directly to the Union.

The Union shall bear all responsibility and liability for ensuring that any and all sums received as supplemental dues are supported by proper written authorization from the employee. The Union shall indemnify, defend and hold the Individual Employer harmless to the maximum extent permitted by law from any and all claims, liability and damages arising from contentions and/or findings that supplemental dues have been collected in an unauthorized or otherwise improper manner.

Section 28E Wage and Fringe Benefit Increase

June 25, 2018 \$1.65* **
July 1, 2019 \$1.90* **
June 29, 2020 \$1.95* **
June 28, 2021 \$1.95* **
June 27, 2022 \$2.00* ** ***

* The parties agree that sufficient contributions will be made available from these increases to the Pension Fund to support any rehabilitation/funding improvement schedule adopted by the bargaining parties. Additional money required for such rehabilitation/funding improvement schedule shall be reallocated from the existing wages and/or fringe benefits.

** To be allocated among wages and/or fringe benefits at the Union's discretion.

*** If an early extended Agreement is negotiated prior to June 27, 2022, Individual Employers who do not extend said Agreement shall be subject to an additional twenty-five cents (\$.25) per hour increase, effective June 27, 2022 for a total increase of two dollars and twenty five cents (\$2.25). If an early extended Agreement is not negotiated prior to June 27, 2022, the total increase on June 27, 2022 shall be two dollars and twenty-five cents (\$2.25.)

In the event the Laborers Health and Welfare Trust Fund falls below a six (6) month reserve level and/or when the Pension Plan is fully funded (100%) or for any other benefit funding adjustment, any wage or benefit reallocation shall be subject to mutual agreement by the parties at least ninety (90) days prior to the effective increase date.

Section 29 Laborers' Apprenticeship Program

A. **TERM OF APPRENTICESHIP:** New applicants for union membership, who cannot demonstrate a minimum of 4,000 hours of experience as a Construction Craft Laborer shall enter the Laborers Apprenticeship Program (Apprenticeship Program). If an applicant is designated a journey-level Laborer by a referring Individual Employer who states in writing that the applicant's knowledge and experience warrants journey-level status, such Employees shall be considered provisional journey-level Laborers and may retain that status so long as they are employed by the designating Individual Employer. Any provisional journey-level Laborer who is laid-off or otherwise discharged prior to working 4,000 hours may not be placed on a journey-level out of work list until assessed by the Apprenticeship Program.

B. **RATIO:** Individual Employers shall participate in the Apprenticeship Program by accepting apprentices for employment upon referral by the Union. When four (4) journey-level Laborers are employed on a project for a particular Individual Employer, the next employee hired to perform Laborers' work must be an apprentice and this ratio will be continued for every four (4) additional Laborers being employed on the Project. On projects with fewer than four (4) journey-level Laborers an Individual Employer may employ one (1) apprentice per project with at least one (1) journey-level Laborer.

C. The Apprenticeship Standards approved by the Division of Apprenticeship Standards of the State of California are hereby incorporated by reference as part of this Agreement.

D. All apprentices shall be properly dispatched through the appropriate Local Union's hiring hall. The Individual Employer must secure a dispatch from the appropriate Local Union for any apprentices employed by the Individual Employer.

E. Entry into the Apprenticeship Program shall be controlled by the Laborers Joint Apprenticeship Training Committee (JATC), which shall employ appropriate screening procedures. An apprentice in good standing advances from one level to another only upon determination of satisfactory performance by the JATC, which shall have the authority to grant accelerated credit where warranted by the performance of an individual apprentice. The JATC may also grant credited hours to an apprentice who received work experience and/or training prior to entry into the Apprenticeship Program. The JATC will not unreasonably withhold entry and advancement in the Apprenticeship Program for provisional journey-level Laborers after their employment with a referring Individual Employer is terminated.

F. An apprentice should, whenever possible, be rotated by the Individual Employer through different types of work so as to become trained in a variety of operations and work skills. Where the Individual Employer is unable to provide an apprentice with experience in the full range of craft skills causing the apprentice to

exceed the number of hours allotted to a given work process, the JATC may coordinate with the Local Union to reassign the apprentice to other employment in order to provide that experience. For so long as the Individual Employer is able to provide the necessary range of employment experience, the Individual Employer may choose to retain the apprentice from job to job but shall notify the Local Union and JATC of all reassignments. An apprentice shall not work on the jobsite unless supervised by a journey-level Laborer.

G. The Individual Employer shall release the apprentice to enroll in Related and Supplemental Instruction (RSI) when the apprentice is notified of mandatory training. An apprentice shall not be penalized for taking time off from work to receive RSI as required by the Apprenticeship Program. The Laborers Apprenticeship Program shall endeavor to notify the Individual Employer of any upcoming RSI requirements the apprentice must satisfy. The Laborers Apprenticeship Program will assist the Individual Employer in meeting its apprentice ratio requirements.

H. An apprentice who fails to maintain his/her apprenticeship status shall not be eligible for employment as a journey-level Laborer unless he/she successfully completes the Apprenticeship Program after reinstatement by the JATC. Reinstatement is at the sole discretion of the JATC. If reinstatement is denied, an apprentice may reapply for entry into the Apprenticeship Program after waiting one (1) year from the date he/she was terminated from the Apprenticeship Program. The failure of any apprentice to maintain his/her apprenticeship status shall obligate the Individual Employer to discharge such person upon written notice from the Apprenticeship Program.

I. WAGE/BENEFIT SCHEDULE: Effective June 25, 2018 for all apprentices indentured on or after January 1, 2015, the Apprentice wage and fringe benefit rates shall be:

<u>Hours of Credit</u>	<u>Wage Rate</u>	<u>Fringe Benefits</u>
1 – 1000	65% of Journey Worker	Health & Welfare, Training, Vacation Holiday Dues Supplement (current Supplemental Dues amount only), Contract Administration and Industry Stabilization
1001 – 2000	70% of Journey Worker	Full Benefits
2001 – 3000	80% of Journey Worker	Full benefits
3001 – 4000	90% of Journey Worker	Full benefits

Journey Worker rates are based on the Group 3 Laborer rate.

The Individual Employer may pay a higher rate at its option. However, the apprentice must meet his or her commitments to the JATC regardless of compensation.

Section 30 General Saving Clause

It is not the intent of either party hereto to violate laws, rulings or regulations of any governmental authority or agency having jurisdiction of the subject matter or of this Agreement, and the parties hereto agree that in the event any provisions of this Agreement are finally held or determined to be illegal or void as being in contravention of any such laws, rulings or regulations; nevertheless, the remainder of the Agreement shall remain in full force and effect, unless the parts so found to be void are wholly inseparable from the remaining portion of this Agreement. The clauses hereof relating to "Hiring," Section 3A hereof, and "No Cessation of Work," Section 8 hereof, are intended to be inseparable and mutually interdependent. Should either of such sections be held or determined to be illegal or void for any reason, then both of said clauses shall forthwith become of no further force or effect, and neither party shall by implication be bound thereby. The parties agree that if, and when, any provisions of this Agreement are finally held or determined to be illegal or void, they will then promptly enter into lawful negotiations concerning the substance thereof.

It is the intent of the parties to this Agreement that each and every, all and singular, of the provisions of this Agreement be fully in accordance with Federal and State Law. Its interpretation and the interpretation of each of the provisions of this Agreement are therefore intended to apply no broader than that permitted by law.

Section 31 Change of Name or Style

This Agreement is binding upon each Individual Employer regardless of whether he/she or it changes the name or style or address of his/her or their business. Each Individual Employer shall give notice in writing to said District Council of any intent to change the name, style or address of his/her or its business, or to perform business under more than one name or style or at more than one address, prior to the adoption of a new or different name, style or address, or the addition of new names or styles or addresses, as specified herein.

Nothing in this paragraph shall be construed as adding to the scope of work covered by this Agreement.

Section 32 Warranty

Each of the persons executing this Agreement on behalf of their respective Employers or Unions hereby warrants his/her authority to execute this Agreement and to bind the respective party on whose behalf he/she signs.

Section 33 Effective and Termination Date

This Agreement shall be effective as of the 1st day of July 2018, and remain in effect without reopening for any purpose until the 30th day of June 2023, and shall continue from year to year thereafter, unless either of the Collective Bargaining Representatives shall give written notice to the other of a desire to change the wages, hours and working conditions hereof not more than ninety (90) and not less than sixty (60) days prior to June 30 of any succeeding year.

The parties to this Agreement recognize the necessity of assuring the competitive position of the parties within the industry during the term of this Agreement. Consistent with that recognition, the parties will continually monitor the effectiveness of this Agreement relative to specific geographic or market area and will endeavor, by mutual agreement, to initiate such modifications to the Agreement during its term as may be necessary to assure the work opportunities of the employees and the competitive position of the Individual Employers.

It is agreed that in the event either party should exercise its rights under the paragraph first above set out, they will for a period of sixty (60) days prior to the 30th day of June, 2023, or June 30th of any succeeding year bargain with each other with respect to all wage rates, working conditions and hours of employment for the work herein covered.

Should an impasse be reached during the course of future negotiations to amend and/or extend the present Agreement, or during the course of negotiations over a new agreement, either party may submit the items in dispute to the Dispute Settlement Board established in the AGC Basic Trades Joint Labor Management Committee Impasse Settlement Plan for resolution. The findings of the Dispute Settlement Board shall be binding on the parties.

IN WITNESS WHEREOF, the parties hereto have hereunto set their hands and seals by respective officers duly authorized to do so, this 22nd day of January, 2018.

- (2) The terms and conditions of this Agreement, insofar as it affects the Individual Employer, shall, as specified below, be applied to any subcontractor of any tier under the control of, or working under oral or written contract with such Individual Employer on any work covered by this Agreement to be performed at the jobsite or job-yard, and said subcontractor with respect to such work shall be considered an Individual Employer covered by this Agreement.
 - (a) The Individual Employer has the primary obligation for performance of all conditions of this Agreement. This obligation cannot be relieved, evaded or diminished by subcontracting. Said primary obligation shall be deemed conclusive evidence of the Union's majority status for the purpose of establishing the obligation of the Individual Employer to bargain collectively pursuant to Section 8(a)(5) of the National Labor Relations Act as amended with the Union upon expiration of this Agreement but for no other statute, rule, regulation or law.

- (6) If the Individual Employer fails to give written notice as required in Paragraph (5) above he shall, until such time as notice is given, assume liability for any violation by the subcontractor of the terms and conditions of this Agreement as may be determined pursuant to the provisions of Section 5 provided, however, these provisions notwithstanding the Individual Employer shall not be liable for contract violations other than those set forth in Paragraph (5)(b) by the subcontractor if such subcontractor is signatory to an agreement with the Union.

 - (8) If any Employee covered by this Agreement knowingly cooperates with any Individual Employer to defeat the payment of wages and fringe benefits as required by this Agreement, said Employee will be liable for such penalties as may be determined by the Board of Adjustment as outlined in Section 5.
 - (9) It is the intent of the parties hereto that the provisions of this subcontracting clause be applied only to the extent permitted by law.
 - (10) Notwithstanding any provision of this Agreement to the contrary, the provisions of this subcontracting clause shall not be enforced by strike or job action.

- (11) The above provisions notwithstanding, in the event an Individual Employer subcontracts work covered by this Agreement to a subcontractor who is not signatory to this Agreement or an appropriate agreement with the Union, the Individual Employer shall assume an additional responsibility as follows:

If the subcontractor shall be found in violation of the Hiring provisions of this Agreement, pursuant to Section 5 and the Union is unable to collect the liability determined to be owing for such violation from the subcontractor, the Individual Employer shall then become liable for the payment of such liability. Upon review, at the sole discretion of the Trustees of the applicable Trusts, the Trustees may require a Surety Bond be posted by the delinquent Individual Employer. This posted Surety Bond is not in any way to be construed as in lieu of any then current delinquencies payments required under this Agreement at the time of the requirement to post such bond. All such bonds shall be deposited with the Administrator and shall be in a form acceptable by the Administrator of the various Trusts, and provided in a timely period as determined by the Trustees of the applicable Trusts.

If a delinquent Individual Employer fails to respond either to the: (1) required written response or; (2) to the demand for a Bond as determined by the Trustees in the required timely period, the Local Union after receiving written notice from the Board of Trustees of this continuing delinquency shall not be required to dispatch employees and further economic action by the Union to obtain compliance of this Section will not be a violation of Section 4 (No Cessation of Work) of this Agreement.

entitled to claim or receive any wages or other compensation for any period during which he/she has been so withdrawn or refused to perform any work for the Individual Employer.

- (A) No Employee covered hereby may be discharged by any Individual Employer for refusing to cross a picket line established by an International Union affiliated with the Building and Construction Trades Department of the AFL-CIO or a Local Union thereof, or the

International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America or a Local Union thereof, which picket line has been authorized or sanctioned by the Local Building and Construction Trades Council having jurisdiction over the area in which the job is located, after the Individual Employer involved has been notified and has had an opportunity to be heard. Said notice shall be in writing and mailed to the Individual Employer involved at his address. This Section shall not apply to jurisdictional disputes.

Section 5 Grievance Procedure

Any dispute concerning any application or interpretations of this Agreement, other than jurisdictional disputes as referenced in Section 6, shall be subject to the following procedure:

- A. In the event that a dispute arises on a job, it shall be first reported to the Individual Employer or in the case of a grievance of an Individual Employer to the Business Agent of the appropriate Local Union (or District Council) who shall then attempt to adjust said grievance or dispute at the job site level.
- B. If said grievance or dispute is not satisfactorily adjusted by the appropriate Local Union (or District Council) or otherwise authorized Union Representative and the Individual Employer or his representative within three (3) days after submission to the Individual Employer, the matter may be submitted by either party to a permanent Board of Adjustment created for the settlement of such disputes by the Cement Masons Contract Administration Trust Fund.
- C. The grieving parties shall specify in writing on a standard Trust Fund grievance form the date(s) of the alleged violation(s), the nature of the alleged violation(s), and the specific provision(s) of the Agreement applicable to the dispute. A dispute shall not be recognized as a grievance nor be subject to the grievance procedure, provided said dispute is outside the scope of the Agreement. No dispute, complaint or grievance, shall be recognized unless called to the attention of the Employer and the Union in writing within ten (10) calendar days (with exception of holidays) after the last date the alleged violation was committed.

In the event the grievance involves the issue of a subcontractor violation where the subcontractor is signatory directly to this Agreement as an Individual Employer, a separate grievance shall be filed against said subcontractor and said grievance shall be processed to its final conclusion through these procedures prior to any grievance hearing against the prime contractor.

- D. The Board of Adjustment shall be composed of two (2) members named by the Union, two (2) members named by the Employer, and an Impartial Arbitrator. At any point in the proceedings should the panel be unable to reach a majority vote, the Arbitrator shall participate and his decision shall be final and binding.
- E. In addition to any rule or procedure which the Cement Masons Contract Administration Trust Fund may adopt, the Board of Adjustment shall be governed by the following provisions:
 - (1) The parties shall select and utilize a permanent Impartial Arbitrator who is willing to abide by the procedures set forth herein. However, the Impartial Arbitrator may be changed or replaced at the request of either party.
 - (2) Neither side will utilize attorneys in these Boards of Adjustment proceedings unless advance written notice of a minimum of ten (10) working days is provided to the Employer and the Union, in which case both sides shall have that right.

- (3) No briefs shall be submitted nor a transcript made of the hearing except by mutual agreement of the parties or by direction of the Arbitrator.
 - (4) In the case of a deadlock, the Arbitrator shall render his decision upon the conclusion of the case at the Board of Adjustment hearing, unless the time is extended by mutual agreement of the parties or at the request of the Arbitrator. The Arbitrator shall not render an expanded opinion in any case unless requested by the parties.
- F. The Board of Adjustment shall meet within thirty (30) days following written submission of the grievance to the Cement Masons Contract Administration Trust with the exception of discharge cases which must be heard at the earliest possible date not to exceed fifteen (15) days. Failure of either party to meet or to participate in the procedure shall relieve the charging party of further compliance with the grievance procedure.
- G. In discharge cases if the Board of Adjustment fails to meet within fifteen (15) days due to the unavailability of the Union, the wage payment and Trust Fund contribution liability shall be limited to the above fifteen (15) days. If the Employer or Individual Employer is unavailable to meet, the wage payment and Trust Fund contribution liability shall be continuing until such time as the Board of Adjustment meets. Decisions of the Board of Adjustment or an Impartial Arbitrator shall be within the scope and terms of this Agreement and shall be final and binding upon all parties hereto.
- H. In the event an Individual Employer fails to comply with any such decisions, the Union may withdraw Employees or strike the Individual Employer, and such action shall not be a violation of this Agreement.
- I. The Board of Adjustment shall settle any dispute or grievance involving a subcontractor as defined in Section 1C who has agreed under contract with the Employer, or any Individual Employer, or a subcontractor of the Employer, or any Individual Employer to perform on the job site any part or portion of the construction work covered by the prime contract, including the operation of equipment, performance of labor and installation of materials.
- When liabilities are assessed against a subcontractor for hiring violations as a result of a Board of Adjustment held under the provisions of Paragraph I and said subcontractor fails to satisfy said obligations, the Union shall promptly give written notice to the Individual Employer and subcontractor and the Individual Employer shall pay such obligations from the retention of such subcontractor.
- J. The expenses of the Joint Board of Adjustment and the Impartial Arbitrator shall be paid for by the Cement Masons Administration Trust Fund. Any additional expenses resulting from the use of attorneys such as court reporters, transcripts, etc., shall be borne equally by the Individual Employer and the Union.

The Trust Fund shall be administered solely by Trustees selected by the Employer in accordance with a Trust Agreement to be executed by the Employer. The contribution as described above shall commence with the work month following notice by the Fund Manager of the Trust to the

Individual Employers. The Union shall have the right, not more than one time per year, to independently audit the Trust Fund.

All grievances involving Individual Employers who are not members of the AGC of California, Inc. shall be processed through the grievance procedure established in Section 5 of the Agreement provided that the right of an Individual Employer not a member of the AGC of California, Inc. may participate on his or its own behalf at the Board of Adjustment and that the final decision shall be made by the permanent Arbitrator if the panel cannot attentively agree.

Such disputes will be settled by the Unions themselves, and if not settled then it shall be submitted to the International Presidents of the Unions involved in the dispute for determination and if not settled, the parties hereto agree that the dispute shall be submitted to the Impartial Jurisdictional Disputes Board for settlement in accordance with the plan adopted by the Building Trades Department, AFL-CIO. The Employer, the Individual Employer and the Union shall be and are bound by such determination and decision unless the other union shall refuse to abide by the determination and decision in which case the Union shall be and is authorized to proceed to enforce the decision by any lawful means in which case the work shall proceed as originally assigned by the Individual Employer until such decision is made.

Each Employee shall have eight (8) consecutive hours of rest in any twenty-four (24) hour period. Such twenty-four (24) hours shall be computed from the start of the Employee's assigned shift. If an Employee is required by an Individual Employer to report to work without eight (8) consecutive hours of rest from the end of his regular or overtime shift, he shall be paid for all hours worked at the appropriate overtime rate until he has eight (8) consecutive hours of rest away from the job. Waiting time at the jobsite, when directed by the Individual Employer, without performance of work, shall not be considered a break within the meaning of this Section.

The second (2nd) meal period may be staggered by the Individual Employer and must be completed by the Employee within ten and one-half (10 ½) hours of the Employee's starting time for the workday.

However, if an Employee works over ten (10) hours, the Individual Employer and Employee may mutually agree to waive the Employee's entitled second 30-minute meal period so long as the first meal period was taken and the Employee works not more than a total of twelve (12) hours.

The Individual Employer shall compensate such Employee ten dollars (\$10.00) for the purchase of dinner. There shall be no loss of wages during the evening meal period. In the event, for reasons beyond the control of the Individual Employer, it is not possible for the Employees to purchase an adequate meal, dinner may be provided by the Individual Employer.

continuous operations and Individual Employers shall be able to coordinate the timing of each ten (10) minute rest break with their Employees to assure the continuity of work. Employees shall be required to remain in their respective work area, or to take their rest period in a specific area designated by the Individual Employer. The second rest period may be added to end of the meal period or workday when working conditions so dictate as determined by the Individual Employer. Employees who work more than ten (10) hours shall be authorized and permitted three ten (10) minute rest periods.

It is understood that the Employee will take his/her appropriate rest period unless the Individual Employer specifically directs the Employee not to take this rest break due to operational requirements. Employees are required to notify their supervisor whenever they are unable to take their rest periods.

Under no circumstances shall an Individual Employer be liable for more than one (1) rest break or heat illness preventative recovery period penalty per Employee per work day. Decisions resolving disputes arising out of the grievance procedures shall be final and binding upon both parties.

The escrow account is in accordance with the procedure used in 1958 to set up the vacation plan.

F. Supervisory Personnel

The Union and the Employer agree that the Individual Employers covered by this Master Agreement may cover owners, partners or supervisory personnel above the rank of foreman in the Cement Masons' Health and Welfare Trust Fund for Northern California, the Cement Masons' Pension Trust Fund for Northern California, the Cement Masons' Vacation/Holiday Trust Fund for Northern California and the Cement Masons' Apprenticeship and Training Trust Fund for Northern California, by paying contributions with respect to the work of such an individual into all of these Funds monthly, on the basis of one hundred sixty (160) hours, in accordance with the hourly rates set forth in this Master Agreement, regardless of the hours worked by any such individual in a month, provided that such individual is performing work within the forty-six (46) Northern California area and that, if not an owner, partner or supervisor would be working as a journeyperson Cement Mason under the terms of this Agreement and provided further that the Individual Employer, having made one (1) payment with respect to the work of such an individual, shall continue to make such payments monthly so long as the individual continues to perform work for the Individual Employer within the forty-six (46) Counties area in the capacity of an owner, partner deemed an Employee covered by this Agreement solely for the purpose of participating in said Funds and shall have no rights or privileges under the Agreement as an Employee.

G. Audit

- (1) The Employer and the Individual Employer agree that upon a written request from the Union or the Employer to the Board of Directors of the Northern California Cement Masons' Funds Administration, Inc., the Board of Directors will direct an audit of the payroll account of any Individual Employer named in the request within ten (10) days. If the initial audit on the payroll account does not provide enough information to determine whether or not any delinquency exists, then the Board of Directors will direct a further audit of whatever records or accounts exist in order to determine the amount of the delinquency.
- (2) The Individual Employer who is found to be delinquent as a result of an audit will pay and satisfy such delinquency with accrued interest and in addition, pay liquidated damages. All delinquent contributions shall bear simple interest at the rate of one and one-half percent (1.5%) per month until receipt of payment. Subject to accounting verification, liquidated damages shall be assessed on delinquent contributions at a flat rate of one hundred fifty (\$150.00) dollars per month to reflect the internal administrative costs incurred by the trust administrators in monitoring and tracking such late contributions. The cost of any audit shall be borne by the Individual Employer if the delinquency disclosed by the audit is in excess of one thousand (\$1,000.00) dollars and is not the result of a clerical error. When economic conditions warrant, the Trustees of the Trust Funds specified in this Agreement are authorized to amend the liquidated damages and interest provisions of this Agreement. Any adjustments implemented by the Trustees shall be reflective of the true increases in the administrative and legal costs associated with the recovery of delinquent Trust Fund contributions.
- (3) It is understood and agreed by the parties hereto that the foregoing provisions for liquidated damages with respect to audit shortages are independent of and in addition to any and all provisions for liquidated damages resulting from delinquencies contained in each of the Trust Agreements to which the Individual Employer is subject under this Agreement.

The Union will promptly notify the Employer in writing of any amendment, modification, exception or addendum to this Agreement.

This section shall not be applicable to agreements between the Union and Individual Employers covering work in bona fide permanent yards or shops.

The Union shall notify the Individual Employer of the appointment of each Steward.

No Steward shall be discharged or laid off except for just cause as described in Section 3B (7). Violation of this Section by the Individual Employer and discharge of a Steward shall be subject to grievance pursuant to Section 5. J. Protective Clothing

The Individual Employer shall furnish the necessary goggles, hard hats, or other protective clothing pertaining to work with caustic materials. Rainwear will be issued as necessary. Such equipment shall be furnished, as necessary, by the Individual Employer free of charge and returned by the Employee immediately upon completion of the work and in the same condition as received subject to reasonable wear and tear. Such equipment shall be sanitized before reissue. No additional rain gear or other protective clothing will be reissued to the Employee unless and before he returns all original items issued.

K. Parking

In the event parking facilities are not available within three (3) blocks of a jobsite, the Individual Employer will provide such facilities and the Individual Employer shall have the right to designate parking areas to be used. Where, because of congested parking conditions it is necessary to use public facilities, the Individual Employer shall reimburse the Employee for the cost of such parking upon being presented with a receipt or voucher certifying to the cost thereof; such reimbursement to be made on a weekly basis or at the conclusion of the project, whichever occurs earlier. The area covered by this Agreement shall be the City of Sacramento, City and County of San Francisco, and the Counties of Alameda, San Mateo, Marin, Contra Costa, and Santa Clara.

Section 10 Effect on Existing and Other Agreements

This Agreement between the Associated General Contractors of California, Inc. and the District Council of Plasterers' and Cement Masons' of Northern California shall supersede the 2013-2016 Master Labor Agreement between all parties, except for those Individual Employers who have given their power of attorney to the Employer for the 2013-2016 Agreement, and who have not given their power of attorney to the Employer for this Agreement.

When an Individual Employer works on a job that is covered by a project labor agreement to which the Union is signatory, the Individual Employer may work under the parties' Master Agreement for Northern California or the Project Agreement, whichever is more favorable to the Individual Employer.

Section 11(A) Employer's Membership

This Agreement is made for and on behalf of, and shall be binding upon, all persons, firms or corporations who at the time of execution of this Agreement have given or subsequently give bargaining authorization to the Employer as defined in Section 2A.

This Agreement shall be binding upon the heirs, executors, administrators, successors, purchasers, and assigns of the parties hereto.

Section 12 Liability of the Parties

It is mutually understood and agreed that neither the Employer, any Individual Employer, the Union, nor any Local Union, shall be liable for damages caused by the acts or conduct of any individuals who are acting or conducting themselves in violation of the terms of this Agreement without authority of the respective party, provided that such action or conduct has not been specifically authorized, participated in, fermented or condoned by the Employer, the Individual Employer, the Union, or the Local Union, as the case may be.

In the event of any unauthorized violation of the terms of this Agreement, responsible and authorized representatives of the Union, Local Union, the Employer, or the Individual Employer, as the case may be, shall promptly take such affirmative action as is within their power to correct and terminate such violation for the purpose of bringing such unauthorized persons into compliance with the terms of this Agreement. Such individuals acting or conducting themselves in violation of the terms of this Agreement shall be subject to discipline up to and including discharge.

It is agreed by and between the parties to this Agreement that the act of the Operative Plasterers' and Cement Masons' International Association (hereinafter called International Association) in approving this contract as to form and substance, as provided in the paragraph below, the International Association, its officers, and agents shall not in any manner thereby become a party to this Agreement, nor is there any duty, liability or obligation imposed upon the International Association, its officers or agents, respecting the terms and conditions of this contract in any manner whatsoever.

It is further agreed that the approval by the International Association as to form and substance is only for the purpose of indicating that the International Association certifies that the said contract is not in violation of the International Constitution and Bylaws and is approved as to form and substance for that purpose only and no other.

Section 14 General Savings Clause

- A. It is not the intent of either party hereto to violate any laws, rulings or regulations of any governmental authority or agency having jurisdiction of the subject matter of this Agreement, and the parties hereto agree that in the event that any provisions of this Agreement are finally held or determined to be illegal or void as being in contravention of any such laws, rulings or regulations, nevertheless, the remainder of the Agreement shall remain in full force and effect unless the parts so found to be void are wholly inseparable from the remaining portion of this Agreement. The clauses hereof relating to hiring, Section 3A and "No Cessation of Work", Section 4 are intended to be inseparable and mutually interdependent. Should either of such Sections be held or determined to be illegal or void for any reason, then both of said clauses shall forthwith become of no further force or effect and neither party shall by implication be bound thereby.

It is the intent of the parties to this Agreement that each and every; all and singular, of the provisions of this Agreement be fully in accordance with Federal and State Law. Its interpretation of each of the provisions of this Agreement is therefore intended to apply no broader than that permitted by law.

- B. The parties agree that if and when any provisions and/or language of this Agreement are held or determined to be illegal, invalid, superseded, in conflict, or voided by any laws, rulings or regulations of any Federal or State court, governmental authority or agency having jurisdiction of the subject, the parties shall immediately meet and promptly enter into lawful renegotiations, within thirty (30) days of written notice by either party, concerning only the subject matter of said provision while the remainder of the Agreement shall remain in full force and effect.

It is understood that travel expenses shall be paid for each day a worker travels and is employed in work covered by this Agreement, but no later than once a week or upon termination whichever is sooner.

On Canal and Highway jobs the geographical midpoint of the job shall be considered as the reporting point for the purpose of travel expense pay. On all other jobsites, the project office shall be considered as the place of reporting for work for the purpose of travel expense pay.

The Individual Employer agrees that no project office will be established in an area closer than fifty (50) miles in an effort to defeat the travel expense procedure herein established.

Section 16 Expense Out of Town

The Individual Employer, when transporting an Employee from his home area dispatch office to localities outside the jurisdiction of the Employee's home area dispatch office, requiring the Employee to live away from home for "jobs of short duration" shall reimburse the Employee for board and room expenses, or may, at Individual Employer's option, pay the Employee per diem of sixty-five dollars (\$65.00) per day for each day he is required to spend the night and is available for work.

For the application of this Section only, "jobs of short duration" shall be interpreted to mean jobs of two (2) months or less. In the event the job or project is more than two (2) months in duration, the Individual Employer will have the option of: (1) continuing the Employee and reimbursing as outlined above, or (2) lay off the Employee without any restriction options of accepting layoff or transferring to the Local Area dispatch office and provide return travel expenses to his home base; or, the Employee will have the option of accepting layoff or transferring to the Local Area having jurisdiction over the job and receiving travel and/or subsistence applicable to the Employee member of the Local Area dispatch office.

Section 17 Geographic and Market Conditions

The parties to the Agreement recognize the necessity of assuring the competitive position of the parties within the industry during Parkthe term of this Agreement. Consistent with that recognition, Labor and Management will continually monitor the effectiveness of this Agreement relative to specific geographic or market areas and will endeavor, by mutual agreement, to initiate such modifications to the Agreement during its term as may be necessary to assure the work opportunities of the Employees and the competitive position of the Individual Employers.

Section 18 Effective Termination Date

This Agreement shall be effective as of July 1, 2016, and shall remain in effect until June 30, 2019 and shall be renewed from year to year thereafter unless either of the Collective Bargaining Representatives shall give written notice to the other of a desire to change at least sixty (60) days prior to the date of the expiration of this Agreement.

The parties agree further that this Agreement is closed on all items until June 30, 2019 and all of the terms and provisions of said Agreement shall be and continue in full force and effect without further opening or change until June 30, 2019.

The Union agrees that in the event that in 2019 or any succeeding year either party should exercise its right under the first paragraph of this section, the parties shall, within thirty (30) days after receipt of written notice, meet and submit the changes desired and for a period of thirty (30) days prior to June 30th of any such year, bargain with respect to those changes. If no Agreement has been entered into between the parties hereto by June 30th or any year in which such notice shall have been given, then this Agreement shall thereupon cease and terminate.

In all other respects, the terms of the Master Agreement remain unchanged.
